**One day workshop on Research Methodology**

**03<sup>rd</sup> March 2023**

One day workshop on 'Research Methodology' was organized by the Department of Chemistry and Biocyte Institute of Research and Development, Sangli in association with Internal Quality Assurance Cell of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on 3<sup>rd</sup> March 2023 at 11:00 am. Around 61 Students from M.Sc. I and M.Sc. II class attended this workshop.

The main objective of the workshop was to give the students with a brief introduction about the experimental procedures for various biological activities in research. Dr. A. R. Supale (Vice-Principal) welcomed resource person Dr. Sandeep B. Patil (Managing Director, Biocyte Institute of Research and Development, Sangli). The session was then continued by Dr. Patil giving simple examples of research in daily life. He provided information about experimental procedures of various biological activities i.e. anticancer, antimicrobial, antifungal, anti-inflammatory, antitubercular, antioxidant, etc under the title of "Laboratory Procedures for Drug Discovery". He gave information on various biological research journals.

The lecture is followed by question and answer session. The workshop was concluded with a vote of thanks. Dr. T. R. Lohar offered a vote of thanks.
