**Report of Seminar
On
“Job Opportunities in Industry”
Organized by Department of Chemistry and Career Counseling Cell
(Tuesday, 7/2/2023)**

The Department of Chemistry and Career Counseling Cell organized seminar on 'Job opportunities in Industry' for the M.Sc. Chemistry students on 7th February 2023 at 11.00 am. Mr. Sushant Ghone, HI-TECH LABS and Consultancy, Sangli was resource person for this seminar. He was alumnus of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli. Prin. Dr. D. G. Kanase sir was the President of this Programme. The programme was graced by the presence of Dr. A. R. Supale (IQAC, Co-ordinator), Dr. A. M. Sargar (Convener of career counseling cell), Dr. T. R. Lohar, and Dr. R. N. Deshmukh.

The Programme begins with the floral welcome of the guest. Prin. Dr. D. G. Kanase in his welcome speech explains the importance of such types of seminar and motivated the students to face various competitive examinations.

The main part of the seminar is the speech of Mr. Sushant Ghone. He captured the concentration of gathering by his effective lecture. In his lecture, he explain various opportunities for the students in various industries, qualification require for such examinations and process of the applying for such jobs. Though a man of chemistry he explains the importance and the vital role of the pure sciences in various industries. He motivated students for research work.

Overall the guest lecture was very fruitful for all the students. 64 students of the department of chemistry get benefited by this seminar.

The programme ends with the vote of thanks by Dr. A. M. Sargar, convener of programme.
