**Report on
State level webinar on 'Contribution towards Click Chemistry'
17th October, 2022**

The webinar was jointly organized by Department of Chemistry and Internal Quality Assurance Cell (IQAC), Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, on Monday, 17th October 2022. The topic of webinar was "Contribution towards click chemistry". The main objective of this webinar was to make research interest in students about medicinal chemistry. The 200 participants were attended this state level webinar through you tube platform (<https://www.youtube.com/live/nYs8X03jYHc?feature=share>).

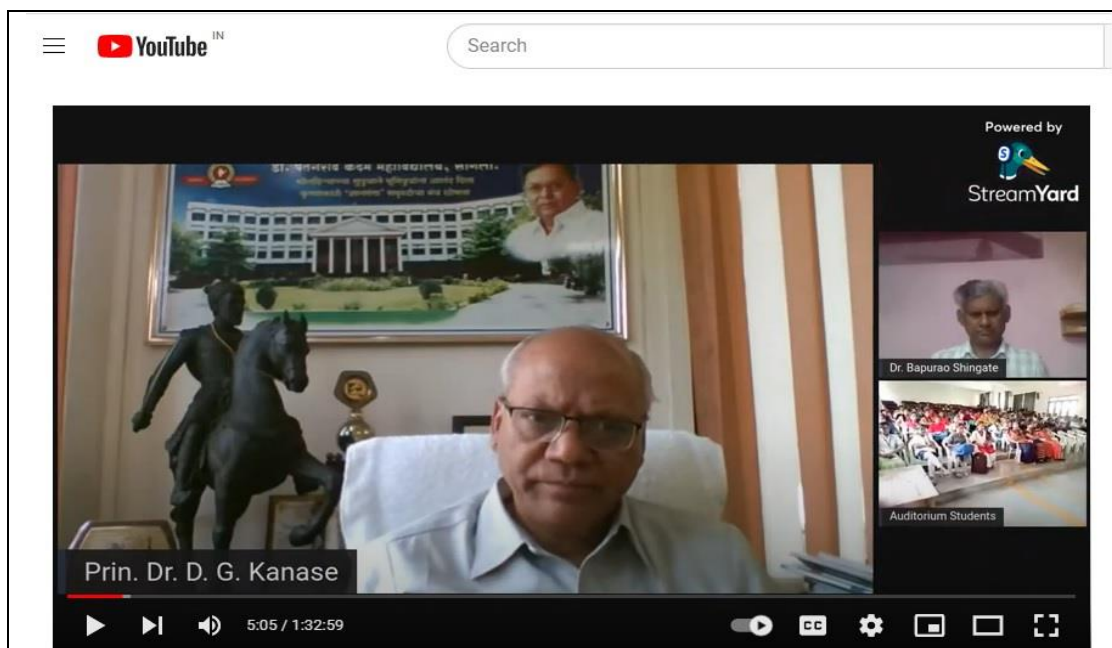

The webinar was graced by Prin. Dr. D. G. Kanase (Former Member, Management Council, Shivaji University, Kolhapur), Dr. B. B. Shingate (Resource person), Mr. T. R. Sawant (In-charge, Arts and Commerce Faculty), Dr. A. R. Supale (Co-ordinator, IQAC), Dr. T. R. Lohar (Convener) and faculties from Department of Chemistry.

Speaking on the occasion, Dr. A. R. Supale given welcomes speech and introduces chief guest. Prof. Dr. B. B. Shingate (Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad) gave insight on topic 'development of click chemistry majorly though his personal 15 years' research experience in click chemistry reactions. He explained contribution of Sci. Carolyn R., Bertozzi Morten Meldel and K. Barry Sharpless (Nobel Prize winners in chemistry 2022) for development of Click chemistry and their medicinal applications.

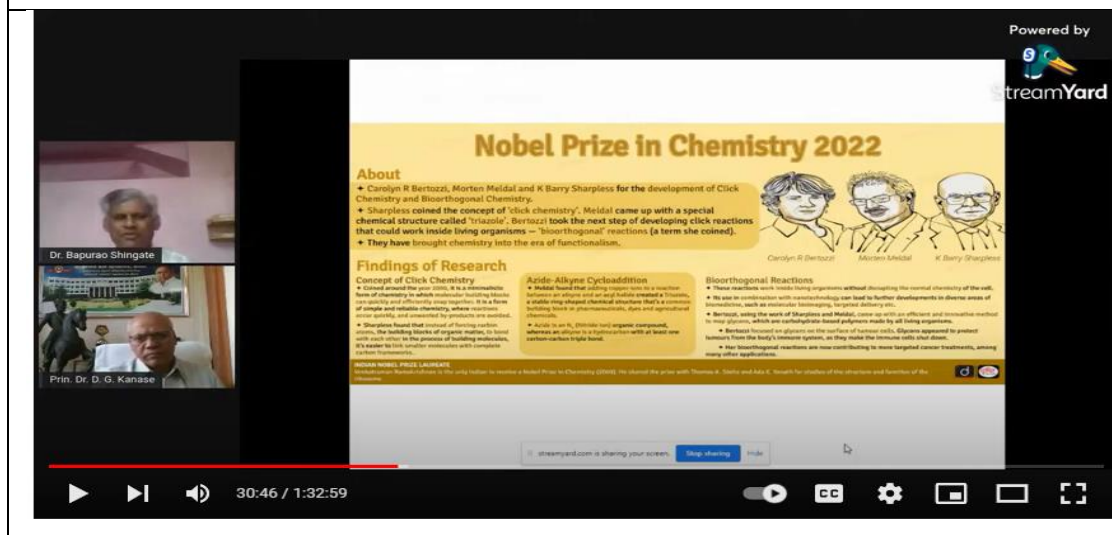

Finally, Dr. T. R. Lohar concluded session by delivering vote of thanks.
