One Day Workshop on
“Research Methodology In Zoology”
Tuesday, 25th April 2023
Organized by
Department of Zoology

REPORT

A One day research methodology workshop for Zoology students was conducted on Tuesday, 25th April 2023 by Department of Zoology. The resource person for the session was Dr. A. B. Mamlayya, Assistant Professor, Karmaveer Bhaurao Patil Mahavidyalay, Pandharpur. The event began at 10.30. A.M. Dr. Mrs. V.S. Kumbhar Assistant Professor and HOD, department of Department of Zoology gave the welcome address and formally introduced the resource persons to the participants.

Sir had given a general outline for the research methodology, and he focused on the questions to conduct background research which includes referring textbooks, research journals or other research publications. The workshop mainly deals with scientific methodology.

He highlighted the importance of research in the postgraduate curriculum and explained the various steps involved in conducting bio-medical research. The various modes of literature search were explained in detail. He also spoke on various aspects of methodological approach to research and techniques to publish articles

At the end of session participants ask questions related to the research. Few students had certain questions related to research and all the questions were cleared by the resource person. Vote of thanks of the workshop was proposed by Mr. N.G. Bahiram. 28 students from B.SC.II and B.SC. III Zoology were present.
