**Webinar on
'Preparing for Campus Placements'
(15th May 2021)**

Webinar on the topic 'Preparing for Campus Placements' for final year students and alumni of the college was jointly organized by Department of Chemistry, Internal Quality Assurance Cell and Alumni Association of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli. The objective of the webinar was to create awareness among students about the Campus Placements and various aspects of the campus placement drive.

Webinar session was conducted on Microsoft Team Platform on **15th May 2021** from 3.00 pm to 4.30 pm. 70 students and alumni were participated in the webinar.

Dr. R. N. Deshmukh introduced resource person Mr. Nachiket Kulkarni. Dr. A. R. Supale delivered Welcome address. He also briefly explained role of IQAC. Prin. Dr. D. G. Kanase gave brief information about Bharati Vidyapeeth and highlighted various activities conducted by college. He also spoke about college efforts to organize placement drives for graduate and post graduate students.

Mr. Nachiket Kulkarni, Training and Placement Officer, Bharati Vidyapeeth College of Engineering, Pune, Resource person of the webinar, explained various aspects in campus placement drive like pre-placement talk, aptitude test, Group interview, personal interview, technical interview, HR interview. He also briefly explained about the preparation of CV, communication skill and overall attitude/ behavior of students at the time of interview.

After the resource person talk, there was a question answer session. After fruitful discussion, Dr. R. N. Deshmukh concluded the webinar by offering vote of thanks.

Online Webinar on Communication Skills for Better Employability

On Tuesday, 20th April 2021

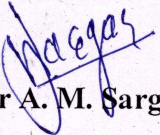

Zoom Meeting Link:

<https://us04web.zoom.us/j/78771798670?pwd=UmxuN3ZiZ2d1SWQ4bFFqVnMwYWhvZz09>

In Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, Career Counseling and Placement Cell have organized online Webinar on Communication Skills for Better Employability on 20th April 2021. Dr. G. S. Rashinkar, Co-ordinator, Central Placement Cell, Shivaji University, Kolhapur, was chief guest and speaker for the online workshop. Prin. Dr D. G. Kanase, Member of SENATE and Management Council, Shivaji University, Kolhapur was president of this online webinar. Dr A. M. Sargar was convener of this webinar. The webinar was successfully conducted with the participation of 95 students.

A Career Counseling Workshop was held for final year U.G. and P.G. students of the college. The workshop gave an insight about how Communication Skills for Better Employability is important. Dr G. S. Rashinkar in his guidance highlighted the different communication skill and strongly focuses on skills such as active listening, friendliness, confidence, volume and clarity during communication, He also told that respect, responsiveness is very important for better employment. He also explained to students that a well-written resume is a demonstration of strong communication skills; your cover letter is a great opportunity to elaborate on your communication skills.

In presidential address Prin. Dr. D. G. Kanase says that, a communication skill for job interview is most important. Students can identify your strengths and weaknesses and regularly practicing good habits and can improve the way you connect and communicate with others. The online webinar was concluded by Dr A. R. Supale by giving vote of thanks.

Alumni Talk Series

Lecture 02

Date: 21/03/2021

Mr. Prajyot Hanchnale, Sr. Database Coordinator, CTTS, Bengaluru has delivered an inspirational lecture on **Career opportunities in Chemistry** in online mode on Microsoft team platform for B. Sc. -III and M. Sc. Students. The lecture was conducted on 21st March 2021; 03:00 pm.

He explained the impact of chemistry on different fields of science and technology. He elucidated different possible career paths and opportunities for Chemistry graduate and postgraduates. He pointed out that the biggest difficulty for placement of student is the mismatch between industry preferred skill set and the skills imported through their academic curriculum. He suggested that careful planning of academic curriculum with importance on industry requirement will enhance the placement record of the institution.

The lecture provided various insights on career opportunities for the chemistry graduate and postgraduate. Total of 82 students were attended the session. The session followed by interactive discussion.

At last Dr. R. N. Deshmukh, Convener, Alumni association thanked Mr. Prajyot Hanchnale for his valuable time and motivational words.

A Webinar
On
“Plant Physiology and Careers in Botany”
18th March 2021
REPORT

The webinar was started at 11.00 am with welcome of guests Dr. S.S. Khot sir by Dr. V. B. Awale. Along with students Prin. Dr. D. G. Kanase, Mr. Harshal Wangikar, Mr. Mangesh Gavit has attended this program. After the formal introduction of guest Dr. S.S. Khot started their speech.

In his speech Dr. S.S. Khot introduced the working principles of Physiology in different industrial sectors. Dr. Khot provided detailed information of scopes of Botanist in different industries like pharmaceutical, food and dairy, agricultural and cosmetic industries. Speaker enlightened the roles played by plant physiology in the different sections/departments of industries like research and development, Phyto-analysis, Agriculture, biochemical research etc. Dr. Khot pointed out that good laboratory skill and Plant identification and its physiological characters should be learned during the graduation period in Botany subject which will surely help students to become good manpower in different industrial as well as research scales.

After the nice and detailed lecture of speaker the question and answer session were conducted. The anchoring for this webinar was done by Mr. Mangesh Gavit. Finally the webinar was over with vote of thanks given by Mr. Harshal Wangikar. Finally, with the permission of all the delegates Mr. Mangesh Gavit declared that the webinar was successfully over.

Workshop Report on
'Career Opportunities in Pharmaceutical Industries'
Organized by Career Counseling Cell and Placement Cell
6th March 2021

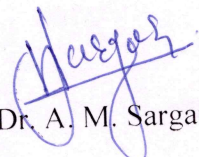

Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, **Career Counseling Cell and Placement Cell** have organized Workshop on '**Career Opportunities in Pharmaceutical Industries**' for the students of Departments of Chemistry and Microbiology on Saturday, 6th March 2021.

The basic objective of the workshop was to create an interest amongst the students regarding Career Opportunities in Pharmaceutical Industries and applications of their skills in their careers. The workshop was focused on the working of Pharmaceutical Industries, the ideas regarding research and development. It was organized with a special objective of encouraging students for making a career in pharmaceutical industry.

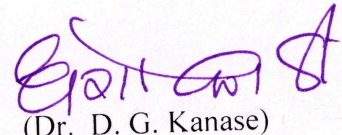

This workshop was organized in collaboration with Hi-Tech Research Lab. Sangli, which is a leading Research Lab in Sangli District for the analysis of Pharmaceutical as well as agriculture Samples.

The Workshop was attended by 70 B.Sc. and M.Sc students. The Workshop was inaugurated at the auspicious hands of. Dr. D .G. Kanase, Principal Dr. Patangrao Kadam Mahavidyalaya, Sangli. In the workshop, resource person Mr. Sushant Ghone covered various points regarding actual working of the industry and job opportunities in Quality Control, Research and Development in industries. He also elaborated on the skills required to achieve better career and the methods on reaching the goals.

The session was interactive and fruitful. The session was followed by open discussion. The speakers satisfactorily answered various raised questions by the students. After interactive session, Dr. A. M. Sargar concluded the workshop by giving vote of thanks.
