Guest lecture on  
**“Botany and its role in pharmaceutical sciences”**  
**REPORT** **28<sup>th</sup> April, 2023**

---

The lecture was started at 12.00 pm with welcome of guest Dr. Sandip Patil, Professor, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Dist. Sangli by Dr. V. B. Awale. Along with B.Sc. III students, Mr. Harshal Wangikar, Mr. Mangesh Gavit has attended this program. After the formal introduction of guest Dr. Sandip Patil started their speech.

In his speech Dr. Sandip Patil introduced the importance of various plants and plant parts and their biochemical importance in different pharmaceutical industries. Dr. Patil provided detailed information of plant extraction, biochemical analysis and drug formation which is core part of any pharmaceutical industry. This aims to raise medicinal importance in human day today life and their vital role. Dr. Patil

runs his own research laboratory named 'Biocyte'. This research lab recognized for analysis of various plant extracts and their products. By the way of lab, Dr. Patil nourishes the Pharmaceutical knowledge and research. Speaker enlightened that Life sciences students must be know the research techniques and must create their Botany related interest in day today life. Dr. Patil pointed out that it is urgent and important that we raise awareness and attention about Plant identification in order to maintain taxonomical aspects among the students..

After the nice and detailed lecture of speaker the question and answer session was conducted. The anchoring for this webinar was done by Mr. Mangesh Gavit. Finally the webinar was over with vote of thanks given by Mr. Harshal Wangikar. Finally with the permission of all the delegates Mr. Harshal Wangikar declared that the webinar was successfully over.

**A Report on Alumni Lecture**

**“An Employment opportunity in the tourism sector” – 15th April 2023**

**Date: 17/04/2023**

A lecture on An Employment opportunity in the tourism sector was organized by the department of Economics at Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on 15th April, 2023. The main purpose of this lecture was to guide the alumni students on career opportunities in tourism.

On this occasion, alumni students, and teachers were present Dr. N. V. Gaikwad said that tourism means traveling for fun somewhere away from home. Tourism is not just a recreational and recreational activity but an industry that attracts, accommodates, and entertains tourists. It also helps in generating income for the country and is a constant source of income. It helps and encourages infrastructural development by paving the way for dams, roads, connectivity, airport improvements and any other activities that help tourists visit better. It is a wonderful method of cultural exchange. Tourism also plays a major role in eliminating unemployment. This has led to many jobs in the hotel industry, hospitality industry, service sector, entertainment, transportation industry etc. which provide an opportunity to try new tasks and learn new skills. It also increases the standard of living of the people and helps the economic progress of the country by generating foreign exchange.

For this event, Dr. N. V. Gaikwad was the chief guest and Principal, Dr. D. G. Kanase was the chairperson. Mr. T. R. Sawant, In-charge of Arts and Commerce faculty, Prof. Dr. S. N. Borade, Dr. Aniket Jadhav, Mr. A. A. Pol, Mr. M. V. Salunkhe, and Mr. B. P. Kurade were present. Mr. T. R. Savant put forward program proposal and Prof. Maheshkumar Salunkhe proposed vote of thanks.

**Monday, 10<sup>th</sup> April 2023**

**Theme: Guest lecture by Alumnus**

The Department of Zoology organized guest lecture of alumnus for the students on 10<sup>th</sup> April 2023. The guest speaker was Mr. Rishikesh Balbim Shinde alumnus of Zoology Department. The topic of this lecture was "Career in Zoology".

The program began by welcome address of Dr. Mrs. V. S. Kumbhar Head, Department of Zoology. Mr. Rishikesh Shinde, the guest speaker enlightened the students about the career opportunities in Zoology. He explained job choices in paramedical field. The lecture was thought providing one for students and emphasized on the importance of a subject for their career. The students gained information about various opportunities available to them after their graduation.

Total 16 students of B.Sc. III were present for program. Mr. Sandip Sargar did anchoring and Mr. Nalesh Bahiram proposed vote of thanks.

**Analytical Research and Development**  
**(06/04/2023)**

Alumni lecture was organized by chemistry department on 6<sup>th</sup> April 2023. It was given by **Mr. Akash Mallappa Kaypure** for M.Sc-II year students. He was alumnus of M.Sc-II (2021-22 batch). Presently he is working as a **Junior Chemist** at **Hetero Pharmaceuticals, Hyderabad**.

He spoke on role of **Analytical Research and Development Department (AR&D) in Pharmaceutical Industry**.

Dr. T. R. Lohar, welcomed and introduced Mr. Kaypure. In his talk, he briefly explained the **Analytical Research and Development Department** in pharmaceutical industry. He has given information about the various duties that are carried in AR&D department like Product modification, method development, maintain records, preparation and labeling of standard solutions etc.

Total of 39 students were attended the session. Students asked some questions about the work nature in quality control department. Mr. Kaypure effectively answered all the questions. At the end of session Dr. R. N. Deshmukh delivered vote of thanks.

**REPORT**

Date: 28<sup>th</sup> March 2023

The Lecture was started at 12.00 am with welcome of guest Mr. Guruprasad Risawade by Dr. V. B. Awale. Along with B.Sc. students, Mr. Harshal Wangikar, Mr. Mangesh Gavit has attended this program. After the formal introduction of guest Mr. Guruprasad Risawade started their speech.

In his speech Mr. Guruprasad Risawade introduced the working principles of Agricultural botany in different industrial sectors. Mr. Risawade provided detailed information of scopes of Botany in different agricultural industries like fruit processing, seeds, horticulture and fertilizers industries. Speaker enlightened License Management for Seed, Pesticide, Fertilizer and role played by Botany. He continues as how the government acts plays role for licensing the shop for seeds, pesticides, fertilizers etc. He also stated that importance of agriculture shop business for rural farmers. Mr. Risawade pointed out that good laboratory skill and identification seeds, pesticides, fertilizers, insecticides and its physiological affect on crop plants should be learned during the graduation period in Botany subject which will surely help students to become good manpower.

After the nice and detailed lecture of speaker the question and answer session was conducted. The anchoring for this webinar was done by Mr. Mangesh Gavit. Finally the webinar was over with vote of thanks given by Mr. Harshal Wangikar. Finally with the due permission of Hon. Prin. Dr. D.G. Kanase and all the delegates, Mr. Harshal Wangikar declared that the alumni lecture session was successfully over.

**Report of Seminar  
On  
"Job Opportunities in Industry"  
Organized by Department of Chemistry and Career Counseling Cell  
(Tuesday, 7<sup>th</sup> February 2023)**

The Department of Chemistry and Career Counseling Cell organized seminar on 'Job opportunities in Industry' for the M.Sc. Chemistry students on 7<sup>th</sup> February 2023 at 11.00 am. Mr. Sushant Ghone, Director, HI-TECH LABS and Consultancy, Sangli was resource person for this seminar. He was an alumnus of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli. Prin. Dr. D. G. Kanase was the President of this Programme. The programme was graced in presence of Dr. A. R. Supale (IQAC, Co-ordinator), Dr. A. M. Sargar (Convener of career counseling cell), Dr. T. R. Lohar, and Dr. R. N. Deshmukh.

The Programme begins with the floral welcome of the guest. Prin. Dr. D. G. Kanase in his welcome speech explains the importance of such types of seminar and motivated the students to face various competitive examinations.

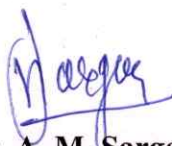

The main part of the seminar is the speech of Mr. Sushant Ghone. He captured the concentration of gathering by his effective lecture. In his lecture, he explain various opportunities for the students in various industries, and process of the applying for such jobs. Though a man of chemistry he explains the importance and the vital role of the pure sciences in various industries. He motivated students for research work.

Overall the lecture was very fruitful for all the students. 64 students the department of chemistry get benefited by this seminar.

The programme ends with the vote of thanks by Dr. A. M. Sargar, convener of programme.

**Report of guest lecture on**  
**Introduction to Pharmaceutical and Chemical Industry**

**2<sup>nd</sup> February 2023**

A guest lecture on “Introduction to Pharmaceutical and Chemical Industry” was jointly organized by Department of Chemistry and Industry-Academic Interaction Cell in association with Internal Quality Assurance Cell of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on 2<sup>nd</sup> February 2023 at 12.00 pm. Around 65 students from M.Sc.-II and B.Sc.-III class attended this lecture.

The main objective of the lecture was to provide the students with brief introduction about various departments of Pharmaceutical and chemical industries. The programme was graced by Principal Dr. D. G. Kanase as Chief Patron. Dr. A. R. Supale (Vice-Principal) had welcomed resource person Dr. S. N. Korade (Research Executive, Process Research Department, Unichem. Laboratories, Goa). The session was then continued by Dr. Korade who began with difference between pharmaceutical industries and chemical industries. He told the students about the role of different departments such as Research and Development, Regulatory affairs, and Intellectual property management department in pharmaceutical industries. The speaker also told importance of HPLC, titrimetry, potentiometry, IR spectroscopy, etc. in analytical research department. The lecture was followed by question-answer session.

The session ended with the hearty thanks to Dr. S. N. Korade by Dr. T. R. Lohar (Convener, Industry-Academic Interaction Cell) in appreciation for taking the time for this activity.

**Report on Guest Lecture**

A guest lecture on 'Forensic Science' was jointly organized by the Department of Chemistry and Career Counselling and Placement Cell on 21<sup>st</sup> January 2023 for B.Sc-III and M.Sc-II year students. It was given by Dr. Pravin Kamble, working as Assistant Chemical Analyzer at forensic science department, Nanded. Dr. R. N. Deshmukh welcomed and introduced Dr. Pravin Kamble.

Dr. Pravin Kamble in his talk briefly introduced various branches of forensic science like forensic psychology, forensic podiatry, forensic pathology, forensic odontology, forensic geology etc. Importance of each branch in forensic science.

He has also talked about recruitment process in forensic science department and job opportunities for students from 12<sup>th</sup> standard students to Ph. D students. Examinations conducted for the recruitment, syllabus to study and nature of question paper and interview.

At the end of lecture students asked some questions about the work nature in forensic science department. Dr. Pravin Kamble effectively answered all the questions. At the end of session Dr. A. M. Sargar delivered vote of thanks.

**Alumni Guest Lecture on  
“Opportunities In Geography”**

The Department of Geography organized an Alumni Guest Lecture on ‘Opportunities in Geography’ for B. A. Geography students on 13<sup>th</sup> Dec. 2022. The guest speaker was Mr. Subhash Teli, Assistant Professor, Miraj Mahavidyalaya Miraj, Sangli.

Mr. Subhash Teli is an alumnus of the department of the year 2002-03 batch who graduated in 2003. He highlighted area of Teaching, GIS, Tourism, Agrotourism, farm & agriculture business. He also talked about the roles of agriculture business as they progress in their career. He also briefly talked about the skills sets required for becoming a successful farmer and agriculture businessman.

The event was coordinated by Dr. N. V. Gaikwad and Dr. M. T. Kolhal. The alumni coordinator of the department, helped in arranging the guest lecture. The lecture was attended by all students from the department.

# Guest Lecture on "Empowerment of Women through Tasar Sericulture"

Under MOU Between

Department of Zoology, Dr. Patangrao Kadam Mahavidyalaya, Sangli and  
Department of Zoology, Karmaveer Bhaurao Patil Mahavidyalaya,  
Pandharpur (Autonomous)

---

- **Date :** 18<sup>th</sup> November, 2022
- **Venue:** Department of Zoology, Karmaveer Bhaurao Patil Mahavidyalaya, Pandarpur (Autonomous)
- **Subject of Guest Lecture:** "Empowerment of women through Tasar Sericulture"
- **Time :** 1.00 pm 00 to 3.00 pm
- **Guest Speaker :** Dr. Mrs.V. S. Kumbhar, Head Department of Zoology, Dr. Patangrao Kadam Mahavidyalaya Sangli
- **Class :** M.Sc. I
- **No. of Students Present : 24 (Girls = 22 + Boys 2 = 24)**
- **Objectives of the Guest Lecture :** After attending the lecture, students will be able to
  - ✓ Explain silkworm types and their morphology
  - ✓ Understand the life cycle of non mulberry silkworms and their larval food plants
  - ✓ Understand economics of tasar sericulture

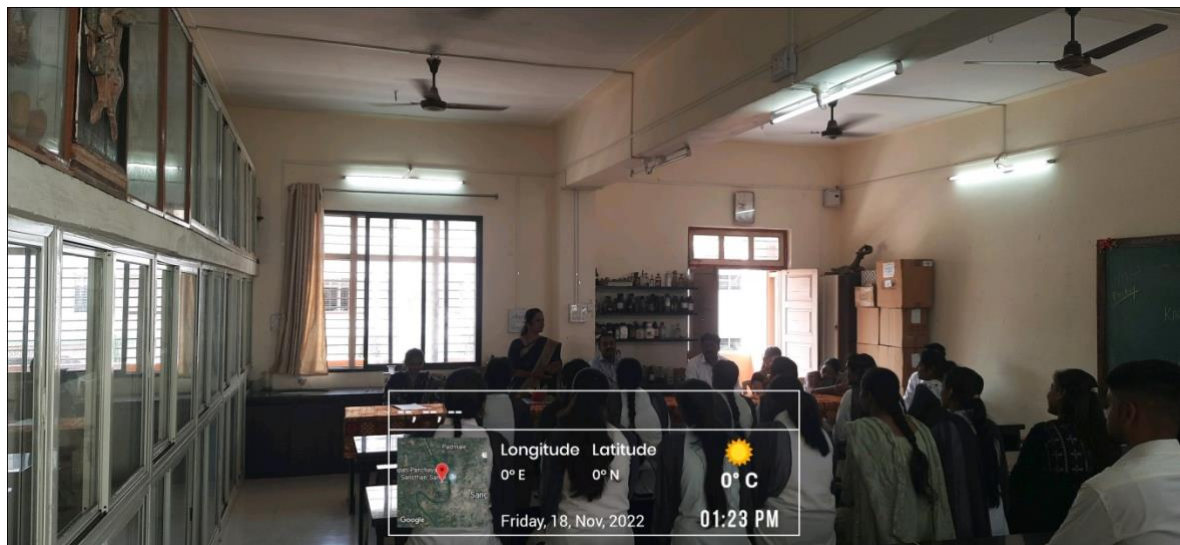

## ❖ **Outline of the programme**

### **I. Welcome of Guest:**

At 1.15 p.m. Programme is started with a welcome of Guest Dr. Mrs. V.S. Kumbhar by Dr. Amar Kamble, Head Department of Zoology. He introduced the Guest speaker of the function Dr. Varsha Kumbhar. She is highly accomplished individual in the field of Oak Tasar Culture. He further addressed the students about importance of sericulture and objectives of the guest lecture organized.

**II. Guest Lecture:** Dr. V. S. Kumbhar has delivered an informative lecture on Empowerment of women through Tasar culture. In her talk, she has emphasized on basics of tasar culture, types of non mulberry silkworm, life cycle and alternative food plants of tasar silkworm. She has also explained economics of tasar sericulture. With this, she has also demonstrated handling of silkworm larvae and cocoons and also explained the difference between the cocoon morphology of mulberry silkworm and tasar silkworm.

**III. Vote of thanks:** It was expressed by Dr. A.B. Mamlayya for delivering such a informative and encouraging lecture on Tasar Sericulture. He also extended his thanks towards students for their presence and patient listening.

**Webinar on "Research opportunities for microbiologists in Abroad"Thursday, 10<sup>th</sup> November 2022**

**Dignitaries:**

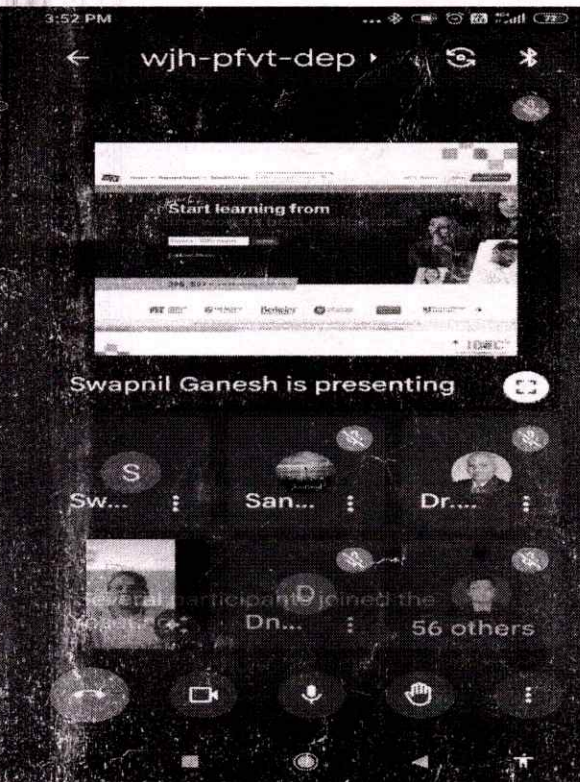

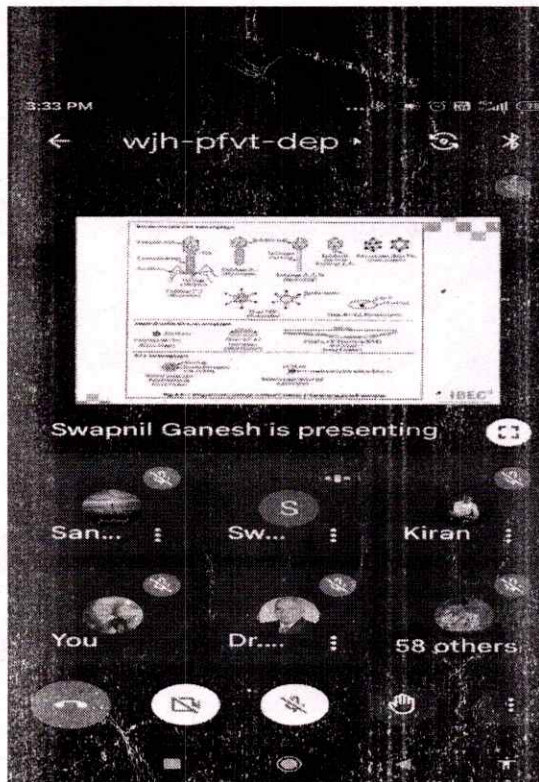

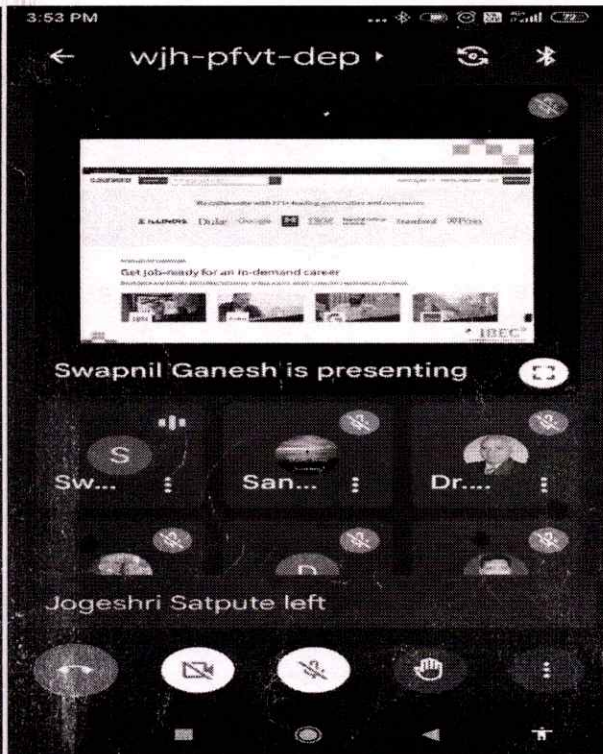

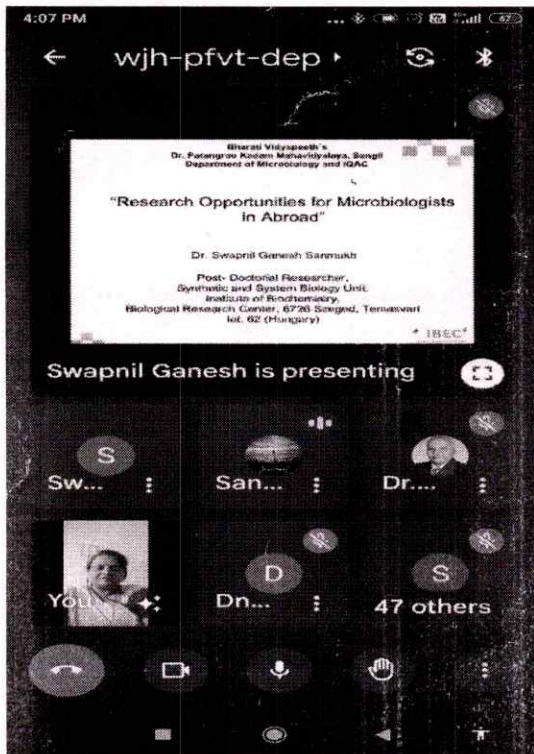

1. Resource Person: Dr.Swapnil G. Sanmukh,  
Post- Doctorial Researcher,  
Biological Research Center, 6726 Szeged, Temesvari let. 62 (Hungary)
2. Chairman: Dr. D.G. Kanase, Principal, DPKM, Sangli.
4. Convener: Ms. B.K. Bhavikatti, DPKM, Sangli.

**Program:**

Webinar was conducted for students of Microbiology, Biotechnology, and Biochemistry from different organizations/colleges/Institutes. It was organized by Department of Microbiology, Dr.Patangrao Kadam Mahavidyalaya, Sangli. 128 candidates were registered for the webinar. Welcome and Foreword was done by Dr. D. G. Kanase Sir. In his talk he mentioned about Establishment of Bharati Vidyapeeth and various institutes covered under Bharati Vidyapeeth and the number of students getting benefitted from institute and various scopes and approaches regarding webinar topic. He felicitated Dr.Swapnil Sanmukh Sir with his words of appreciation. Introduction of Resource person was done by convener of webinar and HOD of Microbiology department Ms. B. K. Bhavikatti Ma'am where she has mentioned the current position, achievement and success journey of Dr.Swapnil Sanmukh Sir and the aim of organizing this webinar. Introduction was followed by webinar where Dr.Swapnil Sanmukh Sir initiated the webinar with his personal experiences of B.Sc, M.Sc, difficulties he faced during his experiments, how he has overcome those problem, his achievement through struggle, finding solutions etc...with the mindset developing positive approach among students....He also talked about viruses and phases of infection. In his webinar he covered finance means, adaptable change, right mindset expectations from abroad experience, personal development and achievement, learning new language, cultural understanding and tolerance, entry requirements, application process, cost of tuition and living and course taught, different courses like coursera, edX, future learn, different website for getting scholarship, LinkedIn. His entire talk has proved fruitful to students in many aspects. If students follow the path shown by Dr.Swapnil sir they will definitely get benefitted through this webinar. Thank You note was given by Miss Sukanya Kamble and anchoring was done by Ms.Sanjeevani Bhedase.

**Training Programme on Soft Skills**

(31<sup>st</sup> October to 5<sup>th</sup> November 2022)

Employability Enhancement and Youth Livelihood Program organized by Mahindra Pride Classroom Project of Naandi Foundation successfully held at Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli from 31<sup>st</sup> October to 5<sup>th</sup> November 2022. The inauguration function was chaired by the Prin. Dr. D. G. Kanase, trainer Dipak Devkar, Dr. A. R. Supale, Coordinator IQAC, Prof T. R. Sawant, Dr. A. M. Sargar, Convener of workshop and other teaching and non-teaching faculties and students were present for the session.

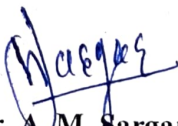

The training is consisted of three major skills Life skills, Interview skills and Communication skills. 50 girls from B.Sc. and M.Sc. stream have attended the training. The sessions like I am Unique, Body language, Digital Identity, interview, professional ethics were taught practically. In the session professional ethics girls have created office situation and

presented by the skit. Girls voluntarily participated in all the activities and gave presentations too. Girls learned different skills from this training

The valedictory session was conducted on last day of the training and Prin. Dr. D. G. Kanase was the president for that. Four girls of the ongoing training were awarded trophies for their best performances and actively participation in the activities (Madhuri Kulkarni, Nikita Desai, Simran Hingane and Prajakta Tate) Girls shared their views, suggestion and feedback in the session. They enjoyed the training and it is visible on their faces. The girls enjoyed and learned a lot from the training. The training is very helpful for the students and the Institute for developing themselves. The overall training program was praised by other faculties and the training was successful.

The career guidance lecture was organized by Department of Career Counseling and Alumni Association, Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, for M. Sc. Students on Wednesday, 8<sup>th</sup> June, 2022. The lecture was given by alumni of the department Mr. Aniket Patil (B. Sc.–III, 2017-2018).

Dr. R. N. Deshmukh Welcomed and introduced Mr. Aniket Patil to students.

The topic of lecture was “**Career Opportunities in Pharmaceutical Area.**” Mr. Aniket introduced various departments of pharmaceutical industry and the kind of work carried out in various departments. He explained the different types of products manufactured in pharma industries and the nature of work carried out in the preparation of different pharmaceutical products. He elaborated the skills required for chemistry students to work in pharmaceutical industry and opportunities available to students in different kinds of pharmaceutical industries. He explained students how to prepare for interview. At this time, Dr. R. N. Deshmukh, Dr. T. R. Lohar, Dr. Shilpa Salunkhe, Mrs. R. S. Patil and 40 Students were present for the lecture.

At the last students asked questions and Mr. Aniket Patil answered them in simple language giving examples.

Dr. Shilpa Salunkhe delivered vote of thanks.
