**REPORT ON
ONE DAY STATE LEVEL WORKSHOP ON
'NEED OF READING'**

19th June, 2021

One day state level workshop on 'Need of Reading' was organized at Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on the occasion of 'Reading Day' on 19th June, 2021. The main purpose of the workshop was to make the students read books because books make the man intelligent as well as rational.

Many students and fifty nine professors were participated in the workshop. Dr. Dilip Patwardhan, well-known Ophthalmologist said that if you wanted to succeed in life, you had to go against the stereotyped established norms. As a researcher you had to invent new ideas. A researcher was supposed to collect the different kinds of information from the books. He also said that everyone always searched for information on Google but it was not reliable. He emphasized on reading printed books instead of reading Kindle editions which always availed on Internet. New books had a distinct smell that inspires reading habit. He suggested to read manuscripts because handwriting is full of emotion like a hand written letter. He gave examples of many great writers. Many popular authors are there like; Shivaji Sawant's Mrityunjay, Ranjit Desai's Swami, Jotiba Phule's Gulamgiri, Sane Guruji's Shamchi Aai, and G.D. Madgulkar's Geetramayan etc.

Dr. D. G. Kanase, Principal delivered his presidential speech. He said that students had to develop an interest in reading and Libraries were the main sources for increasing knowledge. A rich library was a real wealth and the youth had the responsibility to preserve it.

Dr. Dilip Patwardhan, well-known Ophthalmologist, was the chief guest and Dr. D. G. Kanase, Principal, Management Council Member of Shivaji University, Kolhapur was the president of the programme.
