Report

A medicinal plant is any plant which contains biochemical substances which can be useful for human welfare. The main motto of this activity is to create awareness about value of medicinal plant, its cultivation and conservation and also develop the creativity and confidence among students and others.

The Department of Botany has organized one day exhibition on "Medicinal plants, their products and Benefits" in college on 8th Dec. 2022. In this programme Hon. Prin. Dr. D. G. Kanase, Prof. T. R. Sawant - Art's and Commerce In-charge, Dr. A. R. Supale - IQAC Co-ordinator, Dr. V. B. Awale - Head of the Department, faculty members and students were present.

This programme was inaugurated by Chief Guest Hon. Prin. Dr. D. G. Kanase. Welcome and Introduction given by Dr. V. B. Awale, Head of the Department. Hon. Prin. Dr. D. G. Kanase and other guests visited to all the posters of medicinal plant and received the overwhelming response.

Dr. V. B. Awale and Mr. H. V. Wangikar were appointed as Referee. Thirty two students have presented their posters and live medicinal plants and their products. Function received overwhelming response from college students. The concerned referee has evaluated students for their presentation skills, creativity and benefits of presented plant and their product.

Prize winner students of exhibition were felicitated by offering memento.
