Department of Geography and Diploma in Travel & Tourism  
Jointly Organizes

**One day Seminar on “Tour Exhibition and  
Tourism Research in India”**

25<sup>th</sup> February 2020

Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli Department of Geography and Diploma in Travel & Tourism Jointly Organized One day Seminar on “Tour Exhibition and Tourism Research in India” on 25th February 2020. Mrs. Sharduli Terwadkar, Renowned Tourist Writer, Shri. Mukund Mane, Director of Paarth Holidays, Sangli was present as the chief guest while Principle Dr. D. G. Kanase presided over the function. In this seminar discussed the need of tourism research in India. Travel Marketing, Infrastructure and Security as well as Tourism are one of the highly growing sectors of economy and it is the offering highest job opportunities all over the world were discussed.

Chief Guest Hon. Shri. Mukund Mane shared his thoughts on the components of tourism research. The five vital components of tourism system are attraction, accessibility, accommodation, amenities and activities. Tourism studies treat its study and research area as a whole, where physical, economic, social and cultural aspects of tourism, tourist markets, and destinations are the main corner-stones of learning. Mrs. Sharduli Terwadkar expressed his views on the how actually tourism happen. Environmental problems, pollution, exploitation, and displacement of locals are just a few of the problems with tourism today. We also listed some ways you can be a more responsible traveller and minimize your impact while you travel. Student should do research on environmental problem of tourism. Dr. A. R. Supale, Nodal Officer, UGC-Community college course, Dr. N. V. Gaikwad, Coordinator, UGC-Community college Course was present. Total 50 students participated in this seminar.
