Invitation

Bharati Vidyapeeth :

During the last 55 years, Bharati Vidyapeeth has made astonishing strides in the field of education, particularly, higher and professional education. Today Bharati Vidyapeeth conducts more than 204 educational units of various kinds, right from pre-primary schools to postgraduate institutions and a full fledged professional university (BVDU). Among these are colleges of Medicine, Dentistry, Ayurved, Homoeopathy, Nursing, Pharmacy, Law, Biotechnology, Engineering, Management, Hotel Management & Catering Technology, Environment Science, Agriculture, Physical Education and more. With a view to promote research activities and to create a research culture on its campuses, Bharati Vidyapeeth has established five specialized research institutes in the areas of Health related Sciences, Biotechnology, Information Technology, Applied Chemistry and Social Sciences. Today, Bharati Vidyapeeth has its major campuses in New Delhi, Navi Mumbai, Pune, Solapur, Kolhapur, Sangli, Karad, Satara, and Panchgani and at quite a few other places.

Dr. Patangrao Kadam Mahavidyalaya :

The College was established on 16th September 1985, as Arts, Science and Commerce College, Sangli, and it was renamed as Dr. Patangrao Kadam Mahavidyalaya, Sangli on 8th January 1999. The college boasts of a spacious, beautiful and lushgreen building. The college is trying to bridge disparity between the rural and urban culture. Recently, UGC, has granted two Diploma Courses under Community College Scheme. The College selected by DST, India to develop instrumentation facilities under FIST scheme. In 2016-17, our college has been selected as a "Lead College" by Shivaji University, Kolhapur, for two academic years, for the second time, taking into account our academic, social and sports achievements. We are the proud recipients of the Maharashtra State Award for our substantial work through N.S.S.

Theme of Conference

The theme of conference is related to Marathi, Hindi, English, Geography, Economics, Physical Education, Political Science, History, Psychology, Sociology, Management, Science, Technology and many other related topics and subjects. This conference aims at bringing together stalwarts in the field and academicians, teachers as well as researchers together on one platform for fruitful interaction and enhancement in knowledge. It will provide an excellent forum for sharing knowledge and results in theory, methodology in this theme. The conference looks for significant contributions to the theme, in theoretical and practical aspects. Conference is expected to provide an opportunity for an interchange of ideas among researchers and practitioners in different fields of Language, Social Science, Commerce, Science and Technology.
