About Bharati Vidyapeeth :

During the last 55 years, Bharati Vidyapeeth has made astonishing strides in the field of education, particularly, higher and professional education. Today Bharati Vidyapeeth conducts more than 204 educational units of various kinds right from pre-primary schools to postgraduate institutions and a fully fledged professional university (BVDU). Among these are colleges of Medicine, Dentistry, Ayurved, Homoeopathy, Nursing, Pharmacy, Law, Biotechnology, Engineering, Management, Hotel Management & Catering Technology, Environment Science, Agriculture, Physical Education and more. With a view to promote research activities and to create a research culture on its campuses, Bharati Vidyapeeth has established five specialized research institutes in the areas of Health-Related Sciences, Biotechnology, Information Technology, Applied Chemistry and Social Sciences. Today, Bharati Vidyapeeth has its major campuses in New Delhi, Navi Mumbai, Pune, Solapur, Kolhapur, Sangli, Karad, Satara, and Panchgani and at quite a few other places.

About the College :

The College was established on 16th September 1985 as Arts, Science and Commerce College, Sangli and it was renamed as Dr. Patangrao Kadam Mahavidyalaya, Sangli on 8th January 1999. The college boasts of a spacious, beautiful. The college is trying to bridge disparity between the rural and urban culture. Recently, UGC, New Delhi has granted two Diploma courses under Community College Scheme. College is also selected by DST, India to develop Instrumentation facilities under FIST scheme. In 2016-17, our college has been selected as a "Lead College" by Shivaji University, Kolhapur, for two academic years, for the second time, taking into account our academic, social and sports achievements. NAAC committee Re-accredited it with 'B++' grade, in August 2018. We are the proud recipients of the Maharashtra State Award for our substantial work through N.S.S.

Theme of Seminar :

The National Seminar on Use of ICT in Effective Teaching and Learning Process aims to bring under one roof academic administrators, faculty members and policy makers to share views and ideas about new possibilities of delivering education and conducting evaluation and is intended as a guideline to those interested in serving students of different backgrounds and abilities, through effective teaching – learning using ICT. This seminar hopes to play a pivotal role in enabling the involvement of new ideas through peer discussions and scholarly engagements and to disseminate these among the stakeholders.

Objectives :

- Empowering the faculty to utilize ICTs in their teaching activities.
- Teaching and learning initiatives that include assessment for and of learning.
- Improving the Quality of Learning.
- Role of ICTs in the context of the global opportunities and challenges .
- Encouraging the learners to become critical and reflective users of ICT who can evaluate the capabilities and limitations of the technology and of social, technical, political, ethical, organisational and economical principles associated with its use

- Empowering ICT disadvantaged learners by ensuring sufficient access for those learners who have little out-of-school opportunities to use the technology.

Discussion Themes :

The demand for more open and accessible learning has continued to increase. The challenge of providing education and training to a huge and diverse population with a variety of learning goals and styles, at an acceptable cost, will require new forms of global educational delivery.

- Role of Teaching, Learning and Evaluation in Higher Education
- Teaching Techniques in Higher Education
- Role of ICT in Teaching – Learning
- Learning Management System
- Innovations in Teaching-Learning process
- Challenges before Teaching-Learning process using ICT
- Innovations and Best Practices in Higher Education
- Role of Teachers in nurturing Higher Education
- Evolution Process and Reforms in Higher Education
- Courses of Study and Syllabi delivery by effective use of ICT
- ICT and Examination Reforms

Call for Papers :

Original Research Papers are invited on above mentioned themes. The selected full-length papers will be published in Seminar Proceeding with ISBN Number:

Paper Format: Font-Times New Roman, size-12, line spacing-1.5.

Seminar Report

National Seminar on
'Effective Use of ICT in Teaching and Learning Process'

Sponsored by
NAAC, Bengaluru
24th August 2019.

Introduction:

The IQAC Cell of Dr. Patangrao Kadam Mahavidyalaya, Sangli planned National Seminar on 'Effective Use of ICT in Teaching and Learning Process' on 24th August 2019. The National Seminar was designed as to bring together IQAC coordinators, Members, Principals and Teachers to exchange their views and ideas for a better understanding in the subject. It was a special theme which deals with use of Information and Communication Technology. It aimed to encourage effective use of technology among college teachers. The National Seminar on Use of ICT in Effective Teaching and Learning Process aims to bring under one roof academic administrators, faculty members and policy makers to share views and ideas about new possibilities of delivering education, conducting evaluation and is intended as a guideline to those interested in serving students of different backgrounds and abilities, through effective teaching – learning using ICT. This seminar hopes to play a pivotal role in enabling the evolvment of new ideas through peer discussions and scholarly engagements and to disseminate these among the stakeholders.

Objectives:

- Empowering the faculty to utilize ICTs in their teaching activities.
- Teaching and learning initiatives that include assessment for and of learning
- Improving the Quality of Learning
- Role of ICTs in the context of the global opportunities and challenges
- To encourage the learners to become critical and reflective users of ICT who can evaluate the capabilities and limitations of the technology and of social, technical, political, ethical, organizational and economic principles associated with its use
- To empower ICT disadvantaged learners by ensuring sufficient access for those learners who have little out-of-school opportunities to use the technology. The seminar was sponsored by the NAAC, Bengaluru. 80 delegates attended the workshop. The delegates heard 4 sessions by invited speakers.

Proceedings:

The seminar was inaugurated at the auspicious hands of Hon. Prof. M. M. Salunkhe, Vice Chancellor, Bharati Vidyapeeth (Deemed to be University), Pune. The Inauguration ceremony presides over by Chairman of seminar, Prin. Dr. D. G. Kanase. Dr. Amit R. Supale, Convener of seminar, welcomes the guests and gave brief introduction about institute and College. He also explained aims and objective of seminar. The seminar opened with the key note address by Prof. M. M. Salunkhe. He discussed philosophy of NAAC. He also shared his experiences related with working on different NAAC committees. Prin. Dr. D. G. Kanase delivered presidential address. Dr. S. N. Borhade, Secretary of seminar, delivered vote of thanks.

After the inaugural function Prof. M. M. Salunkhe delivered speech on the topic, 'New Evaluation Reforms'. In the lucid manner, he has started his talk and initially focused on the revised draft guidelines of the UGC. He has

explained revised changes in according to existing one. He also explained role of ICT in such process.

In next technical session, Dr. Ajit Thete, Director, Centre for Development of Leadership in Education, talked on 'Use of ICT in Outcome based Education'. He elaborated the importance of topic with citing suitable examples.

In third session, Dr. R. K. Kamat, Director, IQAC, Shivaji University, Kolhapur talked on 'ICT and Teaching Learning processes.' He elaborated various techniques that can be effectively utilized for teaching learning process. He demonstrated Moodle, flipped classroom concepts etc. In fourth session Mr. Nitin Nayak, Director, IMRDA, Sangli talked on 'Revised Accreditation Frame work of NAAC'. He has thoroughly explained the key aspects right from the first to seventh criteria. Different key loops in each criteria were highlighted by him. At the end he has given the modified framework to the participants and encouraged to face the revised guidelines.

The special session was organized for open discussion of resource persons with participants. All the queries raised by the participants were solved by the resource persons.

The seminar was closed in presence of Prin. Dr. H. M. Kadam, Regional Director, Bharati Vidyapeeth, Sangli. Prin. Dr. D. G. Kanase presided over the function. Dr. A. R. Supale presented review of Seminar. Mrs. B. K. Bhavikatti, Member, IQAC concluded the seminar by offering vote of thanks.
