

Bharati Vidyapeeth's

Dr. Patangrao Kadam Mahavidyalaya, Sangli

REPORT ON

“Today's Youth: facing and Surmounting Challenges”

A lecture on “Today's Youth: Facing and Surmounting Challenges” was organized by Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya Sangli in collaboration with Marathi Teacher Organization, Shivaji University, Kolhapur on 14th January, 2021. The main purpose of a lecture was to discuss on the different issues that are related to youths.

Dr. Krishna Bhawari was a resource person and Principal, Dr. D. G. Kanase was the chairperson for the program. Dr. Krishna Bhawari said, “Today's youth are the future of our country. They have to use their energy to do good job for the country. Especially, students have to focus on research that is the chief way to get something new. He also said that the youth are supposed to follow etiquettes and give respects to elder one. The youth should believe science.” Principal Dr. D. G. Kanase in his presidential address said, “Today's youth is the power of our country. At the same time they have many challenges but there are different positive ways are available to overcome the challenges.”

Dr. Varsha Kumbhar compered the program, Mrs. U. A. Desai put forward program proposal and Mr. Pakale proposed vote of thanks. Teaching faculty, Non- Teaching Staff and students were present for the program.
