Report of Student Satisfaction Survey 2021-2022

The Student Satisfaction Survey was conducted by IQAC of BVDPKM. All students enrolled during spring 2021-22 were invited to participate in this online survey through what's group. An Online Google form for the same was created and shared to whatsapp groups of students, so that it can reach each and every student of the college. The students participated voluntarily, the survey was implemented online, and respondents were ensured confidentiality.

Each question in the SSS format is aimed at collecting the factual opinion of students on teaching and learning activities, overall impressions, and suggestions about the college. The data set comprises representative sampling and convenience sampling. The collected data points are analysed on a 5-point Likert scale. The scale measures the responses as very good, good, fair, satisfactory, and unsatisfactory. This simple but important exercise definitely helps to improve the relevance of teaching and learning.
