REPORT

LITERARY CONFERENCE

On the eve of 'Birth Anniversary' of Dr. Patangrao Kadam and Birthday of Dr. Vishwajeet Kadam, Secretary Bharati Vidyapeeth, the institute organized one day 'Literary Conference' on 9th January 2023. The conference was chaired by renowned poet Shri Ashok Naigaonkar. The event was inaugurated by Dr. H.M.Kadam, Regional Director, Higher Education, Bharati Vidyapeeth. Preamble of the conference was explained by the Principal DR. D.G.Kanase. The conference was organized in four sessions. Renowned Literary Prof. Dr. Vajjanath Mahajan delivered his key note address.

In the first session, Shri Ashok Naigaonkar presented his poems. Second session was Symposium on 'Literature and Society'. It was addressed by Prof. Dr. Randhir Shinde and Prof. Pradip Patil. In the third session, poems were presented by different participants including Ranjan Mulla, Nitin Chandanshive, Prof. Santosh Kale, Sunanda Shelake and others.

The 'Literary Conference' was concluded by renowned writer Mrs. Sunita Borhade. Vote of thanks were delivered by Dr. K.M.Bhawari.

भारती विद्यापीठाचे

डॉ. पतंगराव कदम महाविद्यालय, सांगली

आणि

महाराष्ट्र साहित्य परिषद, पुणे शाखा सांगली यांच्या संयुक्त विद्यमाने

भारती विद्यापीठाचे संस्थापक डॉ. पतंगराव कदम साहेब यांच्या जयंतीनिमित्त व भारतीय विद्यापीठाचे कार्यवाह विश्वजीत कदम यांच्या वाढदिवसानिमित्त आयोजित केलेले साहित्य संमेल

अहवाल

भारती विद्यापीठाचे संस्थापक आदरणीय डॉ. पतंगराव कदम साहेब यांच्या जयंतीनिमित्त आणि भारती विद्यापीठाचे कार्यवाह व माजी राज्यमंत्री डॉ. विश्वजीत कदम यांच्या वाढदिवसानिमित्त महाविद्यालयात सोमवार दि. ९ जानेवारी २०२३ रोजी एक दिवसीय साहित्य संमेलनाचे आयोजन करण्यात आले होते. या संमेलनाच्या अध्यक्षस्थानी मराठी साहित्यातील ज्येष्ठ हास्य कवी मा. अशोक नायगावकर होते. संमेलनाचे उद्घाटक भारती विद्यापीठाचे विभागीय संचालक डॉ. एच. एम. कदम उपस्थित होते. एकूण चार सत्रांत झालेल्या या संमेलनाच्या उद्घाटन समारंभात महाविद्यालयाचे प्राचार्य डॉ. डी.जी. कणसे यांनी स्वागत व प्रास्ताविक केले. या वेळी त्यांनी संमेलनाचा उद्देश आणि भूमिका स्पष्ट केली. उद्घाटनाप्रसंगी प्रमुख मार्गदर्शक म्हणून प्रा. वैजनाथ महाजन यांनी मनोगत व्यक्त केले तर आपल्या अध्यक्षीय भाषणामध्ये मा. अशोक नायगावकर यांनी आदरणीय डॉ. पतंगराव कदम साहेबांविषयी काही आठवणी सांगून त्यांच्या पवित्र स्मृतीस अभिवादन केले. या वेळी त्यांनी काही कवितांचे सादरीकरण करून उपस्थितांची मने जिंकली. या कार्यक्रमात महाविद्यालयातील प्राध्यापकांनी लिहिलेल्या 'आई नावाचं गाव' या संपादित ग्रंथाचे उपस्थित मान्यवरांच्या हस्ते प्रकाशन झाले. या ग्रंथाचे संपादन प्राचार्य डॉ. डी.जी.कणसे, उपप्राचार्य डॉ. शिवाजी बोऱ्हाडे आणि प्रा. डॉ. कृष्णा भवारी यांनी केले होते. याबरोबरच महाविद्यालयाचे नियतकालिक 'ज्ञानभारती'चे प्रकाशनही यावेळी करण्यात आले.

संमेलनाच्या दुसऱ्या सत्रात 'स्वातंत्र्याचा अमृत महोत्सव : साहित्य आणि समाज' या विषयावर परिसंवाद आयोजित करण्यात आले होते. या परिसंवादात शिवाजी विद्यापीठ मराठी विभागाचे प्रा. डॉ.रणधीर शिंदे व प्रा. प्रदीप

पाटील यांनी मार्गदर्शन केले. या परिसंवादाच्या अध्यक्ष स्थानी साहित्यिक प्रा. वैजनाथ महाजन होते. या परिसंवादात तीनही वक्त्यांनी विषयाला अनुसरून अनेक अंगांनी चर्चा करण्यात आली.

साहित्य संमेलनाचे तिसरे सत्र हे कवी संमेलनाचे होते. कवी संमेलनाचे अध्यक्ष कवयित्री सौ. प्रतिभा जगदाळे होत्या. कवी संमेलनामध्ये महाराष्ट्रातील आणि विशेषतः सांगली परिसरातील प्रसिद्ध कवींनी सहभाग घेतला होता. त्यामध्ये प्रामुख्याने रमजान मुल्ला, नितीन चंदनशिवे, प्रा.संतोष काळे, सुनंदा शेळके, दयासागर बन्ने, अभिजीत पाटील, गौतम कांबळे, मनीषा रायजादे, लता ऐवळे इत्यादी कवींनी सहभाग घेतला होता. या कवी संमेलनात महाविद्यालयातील काही कवींनीही सादरीकरण केले.

साहित्य संमेलनाच्या समारोप सत्रात 'फिंद्री' कादंबरीच्या सुप्रसिद्ध लेखिका मा. सुनिता बोर्डे या प्रमुख पाहुण्या म्हणून उपस्थित होत्या. त्यांनी आपल्या व्याख्यानातून लेखनानुभव कथन केले. समारोप सत्राच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. डी. जी. कणसे यांनी आपल्या मनोगतात साहित्य संमेलनाची फलश्रुती व एकूणच संपूर्ण दिवसभराचा थोडक्यात आढावा घेतला. या साहित्य संमेलनासाठी सांगली परिसरातील अनेक रसिक, श्रोते, महाविद्यालयातील विद्यार्थी व प्राध्यापक मोठ्या संख्येने उपस्थित होते.

BHARATI SAHAKARI BANK LTD. PUNE, BRANCH SANGLI

Report on Bank Visit (UNDER MOU)

Date: 19th May. 2023

Class: B.A. III Economics Department, B.COM. III Banking Department

Venue: Bharati Sahakari Bank Ltd. Pune, Branch Sangli.

Objectives: Students will enhance their skills and knowledge on:

- How to open a bank account
- Banking: Types of Accounts
- Basic knowledge of cheque
- Banking: With New Technology

To improve understanding of basic financial concepts and using those in our daily life there is need of financial education. To know about various financial products and to become more aware of financial risks and opportunities to enable each one of us to make informed choices, and in return we can improve our financial well-being.

The vision of financial education is that it could enable students, at their level of need, to understand the role of money in their life, the need and use of savings, the advantages of using the formal financial sector and various options to convert their savings into investments, protection through insurance and a realistic recognition of the attributes of these options.

The objective of this activity was to create awareness and educate students on access to financial services (banking), availability of various types of services and their features and to make students understand their rights and responsibilities as customers of financial services.

Introduction:

Bank Manager Mr. S. P. Bhosale, Accountant Mr. S. P. Jadhav, Jr. Office Mrs. P. M. Jadhav and their staff Mr. S. S. Jagtap and Mr. S. M. Kumbhar gave a warm welcome to students. The session was conducted by Mr. S. P. Bhosale, who gave a brief introduction on banking and he explained the visit to a bank is always informative.

Working of the bank:

- The working of the bank is divided into many different departments which collectively handle the bank. Mr. S. S. Jagtap made sure students have understood what is banking and how it is useful to individuals and businesses. Then Mr. S. S. Jagtap also explained various counters / sections of bank.

1. Account Opening:

- To open an account in a bank they should fill the form which needed to be filled up along with the signature of a confidant and one's identity proof or KYC (know your custoern documents).
- Bank gave Xerox copy of form to students, to make them aware about formality be completed for opening an account (Basic information and KYC page).

2. Cheques Counter:

- At this section, there are demand drafts and cheques activity performed.
- For cheque deposit, a slip has to be filled and stamping part is done by the banker for customer's safety.

3. Withdrawal Counter:

- The withdrawal counter is where people come to encash cheques and withdraw money from their accounts.
- The person sitting in this counter usually has a drawer or a suitcase filled with case so that he can hand it over to the person who has rightfully claimed it.
- There are boards attached on each wall which give the basic information regarding the working of banks.
- A small introduction on online banking was given to students.

Students were able to recall the topics / contents which were covered in the session. The activity was a great exposure for students.

Conclusion:

Visit to the bank was a great experience for our students to learn many new and different things about the functioning of the bank. Thanks to Principal Dr. D. G. Kanase, for giving this opportunity

Study Visit Report

The study Visit of M. Sc. II Analytical Chemistry students to DST-FIST Laboratory of Jaysingpur College, Jaysingpur was conducted on 11/04/2023.

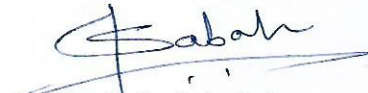

The students visited instrumentation facility center, where the workshop on 'Analytical Instrumentation' was conducted. Students observed the working of various instruments which are useful for analysis and characterization study such as BET apparatus, IR Spectrophotometer, UV- Visible Spectrophotometer, AAS, Gas Spectrometer, HPLC, Densitometer, Spectrofluorometer etc. The faculty members and technical staff of Jaysingpur College, Jaysingpur explained the theoretical aspects and working of instruments in detail.

Dr. A. R. Supale, Dr. Patangrao Kadam Mahavidyalaya, Sangli and Dr. S. R. Sabale, Jaysingpur College, Jaysingpur coordinated the event. 9 Teachers and 27 Students were participated in this activity. The said activity was organized under MoU signed between two institutions.

Report on Agri Study Visit (UNDER MOU)

Date: 22th May. 2023

Class: B.A. III Economics Department,

Venue: Sanjivani Agri Tourism, Bhoose.

Objectives: Students will enhance their skills and knowledge on:

- How to do agribusiness.
- What crops can be grown from agriculture.
- How to protect crops from disease.
- Employment generation from Agri-tourism.
- How to make economic progress through agriculture.
- Sale of agricultural commodities through Agri-tourism.

Introduction:

Agri Tourism owner Mr. A. M. Malgave and their staff gave a warm welcome to students. The session was conducted by Mr. A. M. Malgave who gave a brief introduction to Sanjivani Agri Tourism and he explained a visit to Agri Tourism is always informative.

About Sanjivani Agri Tourism:

Learning about local markets and other employment opportunities for farmers through agri-tourism. Farmers can decide the price of their produce on their own. The locals will get employment opportunities only from the things around agriculture, manpower is required for the tourist center. Tourist planning, mentoring, cooking, farming, gardening, laundry, trekking, boating, camping, market shopping, online marketing, advertising and management all require a large number of workers. This provides employment opportunities at the village level to the youth of the village including the farmers.

Agri-tourism is a great way to learn about and experience agriculture and agribusiness. How much hard work is required in agriculture? The Agri-tourism center will also make the village famous and raise the standard of living in the rural areas. In rural areas, some rare medicinal plants, fruit and flower farming and market-oriented crops are given guidance in the Agri-tourism center. Also, experience comes from a face-to-face meeting. Students can get information about this through Agri-tourism.

The purpose of this initiative was to create awareness among the students about the importance of agriculture, the availability of employment and its agricultural features, as well as educate the students about their rights and responsibilities as farmers.

Conclusion:

Visit to the Sanjivani Agri Tourism was a great experience for our students to learn many new and different things about the functioning of the Agri tourism. Thanks to Principal Dr. D. G. Kanase, for giving this opportunity.

Guest Lecture on "Empowerment of Women through Tasar Sericulture"

Under MOU Between

Department of Zoology, Dr. Patangrao Kadam Mahavidyalaya, Sangli and
Department of Zoology, Karmaveer Bhaurao Patil Mahavidyalaya,
Pandharpur (Autonomous)

- **Date :** 18th November, 2022
- **Venue:** Department of Zoology, Karmaveer Bhaurao Patil Mahavidyalaya, Pandarpur (Autonomous)
- **Subject of Guest Lecture:** "Empowerment of women through Tasar Sericulture"
- **Time :** 1.00 pm 00 to 3.00 pm
- **Guest Speaker :** Dr. Mrs.V. S. Kumbhar, Head Department of Zoology, Dr. Patangrao Kadam Mahavidyalaya Sangli
- **Class :** M.Sc. I
- **No. of Students Present : 24 (Girls = 22 + Boys 2 = 24)**
- **Objectives of the Guest Lecture :** After attending the lecture, students will be able to
 - ✓ Explain silkworm types and their morphology
 - ✓ Understand the life cycle of non mulberry silkworms and their larval food plants
 - ✓ Understand economics of tasar sericulture

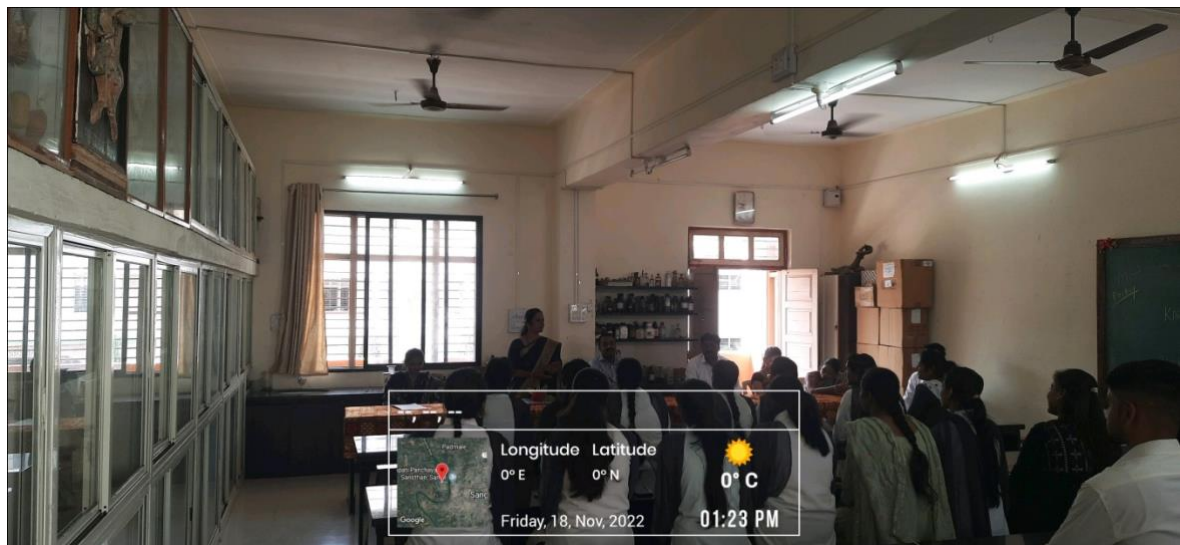

❖ **Outline of the programme**

I. Welcome of Guest:

At 1.15 p.m. Programme is started with a welcome of Guest Dr. Mrs. V.S. Kumbhar by Dr. Amar Kamble, Head Department of Zoology. He introduced the Guest speaker of the function Dr. Varsha Kumbhar. She is highly accomplished individual in the field of Oak Tasar Culture. He further addressed the students about importance of sericulture and objectives of the guest lecture organized.

II. Guest Lecture: Dr. V. S. Kumbhar has delivered an informative lecture on Empowerment of women through Tasar culture. In her talk, she has emphasized on basics of tasar culture, types of non mulberry silkworm, life cycle and alternative food plants of tasar silkworm. She has also explained economics of tasar sericulture. With this, she has also demonstrated handling of silkworm larvae and cocoons and also explained the difference between the cocoon morphology of mulberry silkworm and tasar silkworm.

III. Vote of thanks: It was expressed by Dr. A.B. Mamlayya for delivering such a informative and encouraging lecture on Tasar Sericulture. He also extended his thanks towards students for their presence and patient listening.

Guest lecture on
“Botany and its role in pharmaceutical sciences”
REPORT

28th April, 2023

The lecture was started at 12.00 pm with welcome of guest Dr. Sandip Patil, Professor, Dr. Shivajirao Kadam College of Pharmacy, Kasabe Digraj, Dist. Sangli by Dr. V. B. Awale. Along with B.Sc. III students, Mr. Harshal Wangikar, Mr. Mangesh Gavit has attended this program. After the formal introduction of guest Dr. Sandip Patil started their speech.

In his speech Dr. Sandip Patil introduced the importance of various plants and plant parts and their biochemical importance in different pharmaceutical industries. Dr. Patil provided detailed information of plant extraction, biochemical analysis and drug formation which is core part of any pharmaceutical industry. This aims to raise medicinal importance in human day today

life and their vital role. Dr. Patil runs his own research laboratory named 'Biocyte'. This research lab recognized for analysis of various plant extracts and their products. By the way of lab, Dr. Patil nourishes the Pharmaceutical knowledge and research. Speaker enlightened that Life sciences students must be know the research techniques and must create their Botany related interest in day today life. Dr. Patil pointed out that it is urgent and important that we raise awareness and attention about Plant identification in order to maintain taxonomical aspects among the students..

After the nice and detailed lecture of speaker the question and answer session was conducted. The anchoring for this webinar was done by Mr. Mangesh Gavit. Finally the webinar was over with vote of thanks given by Mr. Harshal Wangikar. Finally with the permission of all the delegates Mr. Harshal Wangikar declared that the webinar was successfully over.

One day workshop on Research Methodology

03rd March 2023

One day workshop on 'Research Methodology' was organized by the Department of Chemistry and Biocyte Institute of Research and Development, Sangli in association with Internal Quality Assurance Cell of Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on 3rd March 2023 at 11:00 am. Around 61 Students from M.Sc. I and M.Sc. II class attended this workshop.

The main objective of the workshop was to give the students with a brief introduction about the experimental procedures for various biological activities in research. Dr. A. R. Supale (Vice-Principal) welcomed resource person Dr. Sandeep B. Patil (Managing Director, Biocyte Institute of Research and Development, Sangli). The session was then continued by Dr. Patil giving simple examples of research in daily life. He provided information about experimental procedures of various biological activities i.e. anticancer, antimicrobial, antifungal, anti-inflammatory, antitubercular, antioxidant, etc under the title of "Laboratory Procedures for Drug Discovery". He gave information on various biological research journals.

The lecture is followed by question and answer session. The workshop was concluded with a vote of thanks. Dr. T. R. Lohar offered a vote of thanks.

**Shivaji University College Librarian Association
In Collaboration With
Bharati Vidyapeeth's
Dr. Patangrao Kadam Mahavidyalaya, Sangli
Jointly Organized Seminar
On
"There's More To The Story."
Tuesday, 24th April, 2023**

A Lecture on "There's More to the Story" was organized at Bharati Vidyapeeth's Dr.Patangrao Kadam Mahavidyalaya, Sangli on 24th April,2023 on the occasion of 'National Library Week'. Mrs. Sandhya Yadav, Member of Shivaji University College Librarian's Association and Librarian of Putalaben Shah Shikshanshastra Mahavidyalaya, Sangli was the key speaker and Principal Dr. D.G. Kanase was the chair person for the program.

Theme of the Library Week 2023 was "There's More to the Story." Speaking on the theme, Prof. Yadav said, "the library has a wide variety of reading material from handwriting to printed books and from picture books to large charts, audiobooks to e-books and much more." It brings together readers through reading, story times, movie nights, crafting, classes, lectures, entertainment etc. Libraries upgrade the facilities by using modern technology along with traditionalism. Use of internet, innovation and literacy skills encourages businesses and provide support to job seekers and entrepreneurs. National Library Week 2023 would be a great time to tell the multi-faceted story of a library.

In her speech she added many inspirational examples from Sangli district. She has given an inspirational introduction of writers and their literature and people from various fields of politics, sports, co-operation, industry, entertainment, agriculture, education, science etc. Today's youth need to plant dreams and make them come true. In order to make next generation more capable, it is necessary to study such inspirational people to inculcate moral values.

Principal Dr.D.G.Kanase said, "while celebrating the 'National Library Week' we should not ignore the contribution of great personalities and this inspiration would be beneficial for next generation's bright future." Therefore, it's must to read the autobiographies of great personalities.

Ms.Jayashri Hatkar did compering as well as put forward the program proposal. Convener of Library Committee, Dr. Krishna Bhawari proposed vote of thanks. The programme was attended

by the Vice Principal, Prof. .Dr. S.N. Borhade, Dr. Amit Supale, Arts and Commerce faculty In-charge Prof. T.R. Sawant, faculty members and students of the college.

D Y Patil Agriculture & Technical University, Talsande Department of Chemistry

A Guest Lecture on

'Elimination Reactions'

A guest lecture on the topic 'Elimination reactions' was organized by the Department of Chemistry, Dr. D. Y. Patil Agricultural and Technical University, Talsande, on January 13, 2023, at 10 a.m. The activity was conducted under the MoU signed between D.Y. Patil Agricultural and Technical University, Talsande, and Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli. Around 60 students from the M.Sc. II (Organic Chemistry) class attended this lecture.

The main objective of the lecture was to provide the students with a brief introduction to the types of organic reactions. The program was graced by Dr. Mote (Dean) as chief patron. Dr. Sandeep Wategaonkar had welcomed resource person Dr. T. R. Lohar (Assistant Professor, Department of Chemistry, Dr. Patangrao Kadam Mahavidyalaya, Sangli). The session was then continued by Dr. Lohar, who began with the difference between substitution, addition, and elimination reactions. He explained the mechanisms of elimination reactions such as the E1, E2, and E1cB reactions with examples. Lastly, students were given a few questions as homework for more practice. It was a learning experience for all the students as they got different perspectives on the topic 'Elimination Reaction'. The session was concluded with a vote of thanks delivered by Dr. T. R. Bhosale.

CERTIFICATE OF TRAINING

To Whom It May Concern

This is to certify that, **Ms.Pawar Pratiksha Ashok** Student of F.Y. M.Sc, Department of Microbiology, Dr. Patangrao Kadam Mahavidyalaya, Sangli has successfully completed the research training for one month for eight hours daily (10 a.m to 6 p.m) in the field of Microbiology from 12/07/23 to 12/08/23 under the guidance of Mr. M. N. Khalate from Infinite Biotech Institute of Research and Analytics Sangli, Maharashtra.

During the period of her research training program she had been exposed to different processes and also has observed the work that is done with very discipline. The candidate has fulfilled all the prescribed requirements of the laboratory work and completed organized tasks with sincerity and diligence. We wish her every success in her career.

FIELD TOUR DEPARTMENT OF MICROBIOLOGY 2022-23

Department of Microbiology, Dr. Patangrao Kadam Mahavidyalaya organized 'Field Tour' on 19th December 2022. It was participated by M. Sc. II students of the department. Notion of field tour was addressing the issue of pollution by collecting air samples from the territory of 'Municipal Corporation Greater Mumbai' Govandi. The citizens in residing in Mumbai plead Mumbai High Court to address the issue of pollution raised due to 'Biomedical Waste treatment Plant' run at Govandi. It was a claim by the citizens through PIL No. 33884/2022 that the 'Municipal Corporation Greater Mumbai' Govandi releases disease causing organisms during incineration of biomedical waste. To verify the claims, the Department of Microbiology organized field tour and M.Sc. II candidates completed the air sampling in the circumference of about 5 km from the source.

E

The samples collected were further analysed for presence of pathogens

Study of Air Quality in the Vicinity of Common Biomedical Waste Treatment Facility Center of Govandi, Mumbai

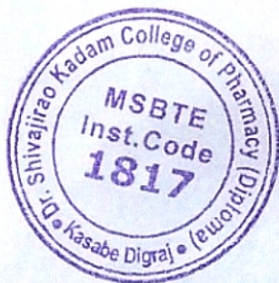

Vikas Shelake, Ashutosh Yadav, Namrata Dongare, Shivani Kshirsagar, Bharat Ballal

Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli

Abstract

Present researcher and co-authors of the paper, came across with 'Public Interest Litigation' filed by 'Govandi New Sargam Welfare Society', at High Court of Judicature at Mumbai. The litigation demanded for shifting of 'Common Biomedical Waste Facility' of municipal corporation greater Mumbai located at Govandi. Original petition dealt with the emission of toxic gases from the biomedical waste facilitated centre.

Considering survival and of 'Droplets' and 'Droplet nuclei' in air dispersed from treatment plant, authors of this research paper visited the area in the vicinity of the 'Biomedical Waste Treatment Plant'. Air sampling was carried out, for testing presence of disease causing bacteria and fungi in the air. The air samples were collected at the distance of 50 m to 2 km from the incinerator plant including nearby housing societies. Controls were kept for validation of the experiment. Our observation is that 'BMC's Biomedical Waste Treatment Incinerator Govandi Mumbai' emits the disease causing organisms, including *Mycobacterium tuberculosis spp*, *Staphylococcus spp*, *Streptococcus spp*, *Pseudomonas spp*.
