

**Bharati Vidyapeeth's**  
**Dr. Patangrao Kadam Mahavidyalaya, Sangli.**  
**Department of Microbiology**

Our college has established MOU with Mohite Micropath, Sangli. Under this MOU we have sent students of B.Sc. part III with the aim of learning different tests related to microbiology subject.

Schedule for training: 1<sup>st</sup> Nov. - 15<sup>th</sup> Nov. 2020 at 8:00 - 11:00 am.

In this programme they learnt the following skills.

- 1) Rapid Antigen Testing for Covid-19 (RAT)
- 2) ELISA test.
- 3) Antibiotic Sensitivity Tests.

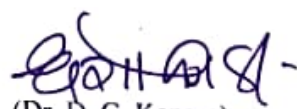

The list of students sent to the training programme:

| Sr. No. | Name of the Student          | Class      |
