

A Report on
The National Workshop on
Research Methodology
Thursday, 13th February 2021
Theme: How to Write Research Articles

In Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, the Department of Physics and Internal Quality Assurance Cell have jointly organized a National workshop on **Research Methodology** with the theme **How to Write Research Articles** on Thursday, 13th February 2021. This workshop was customized targeting the faculty and post-graduate students of the college. The workshop was successfully conducted with the participation of 30 students and 80 faculty. The total participation was more than 110 in number.

The college invited Prof. (Dr.) P. S. Patil, Head, Department of Physics, Shivaji University, Kolhapur as a keynote speaker. The program started on schedule at 11:30 am with an introduction and the theme of the workshop was forwarded to the

participants. In the introduction, the coordinator of the workshop Dr. Dada P. Nade stated the importance of the workshop.

Principal Dr. D. G. Kanase, Organizing Chairman, briefly introduced college and numerous student-oriented activities conducted on the campus. He also detailed the vision, mission, and aim of the president behind the institution. He through light upon how research activities help to improve ourselves.

Introduction of Prof. (Dr.) P. S. Patil has given by Dr. Amit R. Supale. He also highlighted Criteria-III of NAAC. Criteria-III completely depends on research activities done by the faculty and students. Therefore, the present workshop will help to inculcate the research perspective in the faculty and students. This will culminate into research and research-related activities.

Dr. P. S. Patil is addressing the gathering

Prof. (Dr.) P. S. Patil elaborated many important and essential research-related facts to the students and faculty. He explained various research journals and their types. He mentioned a few reputed journals for the reference of the participants.

He also focused on the importance of research articles and he elaborated on the various part of the research article. He also discussed the H-index of journals and their importance. He also explained Google Scholar, Research-Gate, and Scopus and how they showcase research work and researcher.

According to him, research papers are the actual mirror of the researchers and every faculty should strive to be the best researcher. He said that the research paper publications are also important for getting the research funds from various funding agencies, government as well as private. Finally, he messages to the audience that in this techno-education system faculty should update themselves with time and technology.

In the concluding session, Mr. N. N. Natke has proposed a vote of thanks. The Department of Physics and Internal Quality Assurance Cell expressed gratefulness towards the management of Bharati Vidyapeeth and especially to Principal Dr. D. G. Kanase for providing support and guidance to organize this national-level workshop on Research Methodology. We also thankful to Dr. Amit Supale, Mr. T. R. Sawant, Dr. (Mrs.) P. M. Patil and technical supporter Mr. Jagtap. We are also thankful to all the faculty members and students for gracing the event.

Dr. D. P. Nade, Head of Physics Department, was coordinator of this workshop and the responsibility of secretary was handled by Mr. N.N. Natke.
