

DR. PATANGARAO KADAM MAHAVIDYALAYA, SANGLI
and
SHIVAJI UNIVERSITY ECONOMICS ASSOCIATION, KOLHAPUR

Report On 'Impact of Covid-19 On Indian Economy' (UNDER MOU)

Date: 20th May. 2022

Class: B.A. III Economics Department

Venue: Shivaji University Economics Association, Kolhapur.

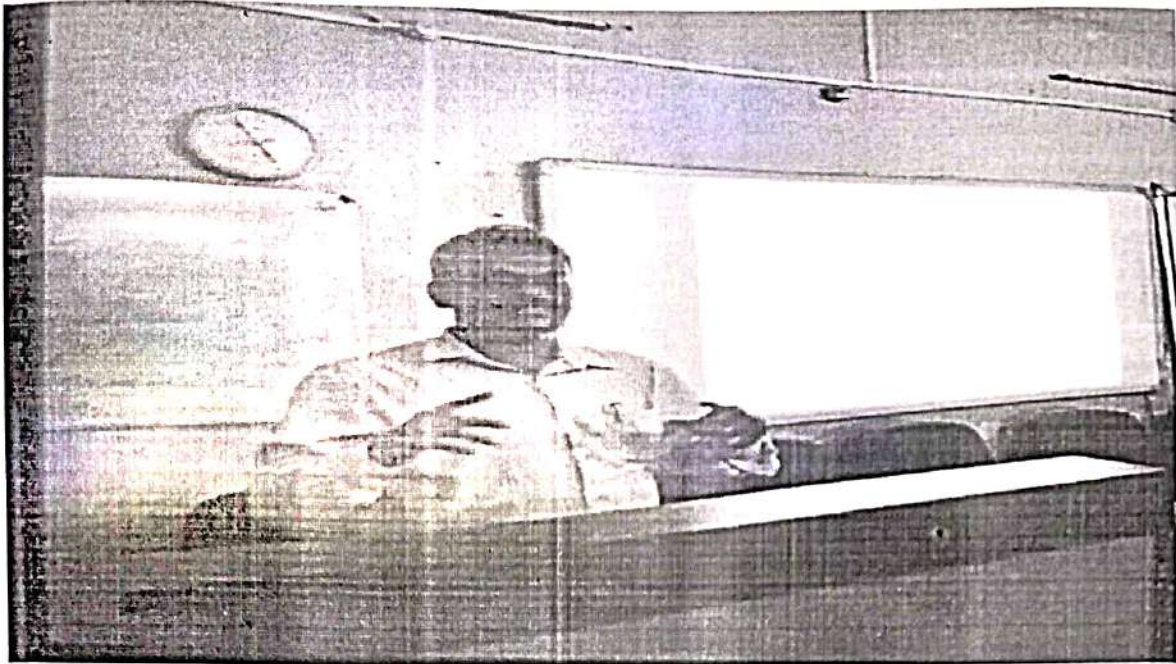

Objectives: Students will enhance their skills and knowledge on:

- To Know how the Indian Economy changes.
- To Know the Impact of Covid-19 on Indian Economy.

A lecture on 'Impact of corona on Indian Economy' was organized by the department of Economics on 20th May, 2022. The purpose of this lecture was to know the current statuses of Indian Economy and what was the effect on Indian economy during the lockdown. College students and teachers were present for this lecture.

Prof. M. A. Kore Executive Member of Shivaji University, Kolhapur guided students on 'Impact of Corona on Indian economy.' He said that Indian economy was disturbed due to covid-19 as whole globe. Indian people suffered a lot during the lockdown. Number of the Indian lost their jobs and businesses but still India was expected to increase its economy growth in the course of time. He also said that government-imposed lockdown in all over the country so the people were unable to go at job. Number of people lost job and they had to move to their native places.

Prof. Kore said that the new concept 'Work from Home' came into exist during that time. The university, college, school, Institution, company, and market were shut down therefore people had to do work from home on online mode.

Professor M. A. Kore Executive Member of Shivaji University, Kolhapur was the chief guest and Dr. D. G. Kanase, Principal, was the chairperson for this program. Prof. T. R. Sawant, Head department of Economics as well as In-charge of Arts and Commerce faculty, put forward programme proposal. Prof. B. P. Kurade did anchoring of the program and Prof. A. A. Pol proposed vote of thanks. Prof. Dr. Borade and Dr. Aniket Jadhav were present.

Our college has established MOU with Nikhil Analytical & Research Laboratory, Sangli. Under this MOU we have sent students of B.Sc. part III with the aim of learning different tests related to microbiology subject.

Scheduled for training: 1st Feb. - 13th Feb. 2022 at 8:00 - 11:00 am In this programme they learnt the following skills.

- 1) SPC of Milk
- 2) SPC of Water
- 3) M.B.R.T. Test
- 4) Milk Adulteration

The list of students sent to the training programme:

Sr. No	Name of the students	Class
1	Mr. Anuse Sairaj	B.Sc. -III
2	Mr. Chavan Aditya	B.Sc. -III
3	Mr. Hazare Prathamesh	B.Sc. -III
4	Mr. Bangar Suraj	B.Sc. -III
5	Mr. Maske Gourav	B.Sc. -III
6	Mr. Salunkhe Shubham	B.Sc. -III

Our college has established MOU with Bharati hospital and medical college, Sangli. Under this MOU we have sent students of B.Sc. part III with the aim of learning different tests related to microbiology subject.

Schedule for training: 1st Feb. - 13th Feb. 2022 at 8:00 - 11:00 am.

In this programme they learnt the following skills.

- 1) RT PCR for Covid-19
- 2) Rapid Antigen Tests (RAT)
- 3) Different tests in Blood Bank
- 4) Serological tests

The list of students sent to the training programme:

Sr. No	Name of the students	Class
1)	Sharma Kavita Rajman	B.Sc. -III
2)	Shinde Sambhaji Dashrath	B.Sc. -III
3)	Ubale Dinesh Devraj	B.Sc. -III
4)	Magdum Shirish Arun	B.Sc. -III
5)	Shaikh Rahila Ayub	B.Sc. -III
6)	Patil Rohit Balaso	B.Sc. -III

DR. PATANGARAO KADAM MAHAVIDYALAYA, SANGLI
and
Bharati Sahakari Bank Ltd. Pune, Branch Sangli

Report on Bank Visit (UNDER MOU)

Date: 14th December, 2021

Class: B.A. III Economics Department, B.COM. III Banking Department

Venue: Bharati Sahakari Bank Ltd Pune, Branch Sangli.

Objectives: Students will enhance their skills and knowledge on:

- How to open a bank account
- Banking: Types of Accounts
- Basic knowledge of cheque
- Banking: With New Technology

To improve understanding of basic financial concepts and using those in our daily life there is need of financial education. To know about various financial products and to become more aware of financial risks and opportunities to enable each one of us to make informed choices, and in return we can improve our financial well-being.

The vision of financial education is that it could enable students, at their level of need, to understand the role of money in their life, the need and use of savings, the advantages of using the formal financial sector and various options to convert their savings into investments, protection through insurance and a realistic recognition of the attributes of these options.

The objective of this activity was to create awareness and educate students on access to financial services (banking), availability of various types of services and their features and to make students understand their rights and responsibilities as customers of financial services.

Introduction:

Bank Manager Mr. S. P. Bhosale and their staff Mr. S. S. Jagtap and Mr. S. M. Kumbhar gave a warm welcome to students. The session was conducted by Mr. S. P. Bhosale, who gave a brief introduction on banking and he explained the visit to a bank is always informative.

Working of the bank:

- The working of the bank is divided into many different departments which collectively handle the bank. Mr. S. S. Jagtap made sure students have understood what is banking and how it is useful to individuals and businesses. Then Mr. S. S. Jagtap also explained various counters / sections of bank.

1. Account Opening:

- To open an account in a bank they should fill the form which needed to be filled up along with the signature of a confidant and one's identity proof or KYC (know your custoern documents).

- Bank gave Xerox copy of form to students, to make them aware about formality to be completed for opening an account (Basic information and KYC page).

2. Cheques Counter:

- At this section, there are demand drafts and cheques activity performed.
- For cheque deposit, a slip has to be filled and stamping part is done by the banker for customer's safety.

3. Withdrawal Counter:

- The withdrawal counter is where people come to encash cheques and withdraw money from their accounts.
- The person sitting in this counter usually has a drawer or a suitcase filled with cash so that he can hand it over to the person who has rightfully claimed it.
- There are boards attached on each wall which give the basic information regarding the working of banks.
- A small introduction on online banking was given to students.

Students were able to recall the topics / contents which were covered in the session. The activity was a great exposure for students:

Conclusion:

Visit to the bank was a great experience for our students to learn many new and different things about the functioning of the bank. Thanks to Principal Dr. D. G. Kanase, for giving this opportunity

भारती विद्यापीठाचे
डॉ. पतंगराव कदम महाविद्यालय, सांगली

व

शिवाजी विद्यापीठ मराठी शिक्षक संघ, कोल्हापूर यांच्या संयुक्त विद्यमाने आयोजित केलेले व्याख्यान

अहवाल

भारती विद्यापीठाचे डॉ. पतंगराव कदम महाविद्यालय, सांगली व शिवाजी विद्यापीठ मराठी शिक्षक संघ, कोल्हापूर यांच्या संयुक्त विद्यमाने दि. २८ फेब्रुवारी २०२२ रोजी ऑनलाईन व्याख्यान आयोजित केले होते. प्रा. डॉ. रणधीर शिंदे (मराठी विभाग प्रमुख, शिवाजी विद्यापीठ, कोल्हापूर) यांनी 'मराठी भाषा : उपयोजित क्षेत्रे' या विषयावर व्याख्यान दिले. भाषाभेद करणे ही अत्यंत चुकीची आणि अवैज्ञानिक स्वरूपाची गोष्ट आहे. व्यक्ती भाषाभेदातूनच समाज भेदभावाकडे वाटचाल करत असतो. भाषा ही श्रेष्ठ-कनिष्ठ कधीच नसते. ती चिन्हांकित असते. भाषेकडे वस्तुनिष्ठ आणि विज्ञाननिष्ठ दृष्टिकोनातून पाहिले पाहिजे. भाषा ही केवळ विशिष्ट दिनानिमित्त स्मरण करण्याची वाव नाही, तर तो आपल्या आयुष्याचा एक महत्त्वाचा भाग आहे. म्हणून ज्या भाषेच्या पर्यावरणात आपण जगतो, वाढतो, घडतो, ज्याचे भरण-पोषण होत राहते ते कायमस्वरूपी आपल्या विवेकबुद्धीने जतन करण्याची गरज आहे असे मार्गदर्शन त्यांनी केले.

या कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. डी. जी. कणसे होते. आपल्या अध्यक्षीय भाषणात ते म्हणाले की, 'आपल्या देशावर परकीयांची अनेक आक्रमणे झाली. त्याचा परिणाम मराठी भाषेवर झाल्याचे दिसून येते. आधुनिक तंत्रज्ञानातही मराठी भाषेने आपले अस्तित्व टिकवून ठेवले आहे. आपण सर्वांनी मिळून मातृभाषेचे संवर्धन करणे गरजेचे आहे.' असे आवाहन त्यांनी या वेळी केले.

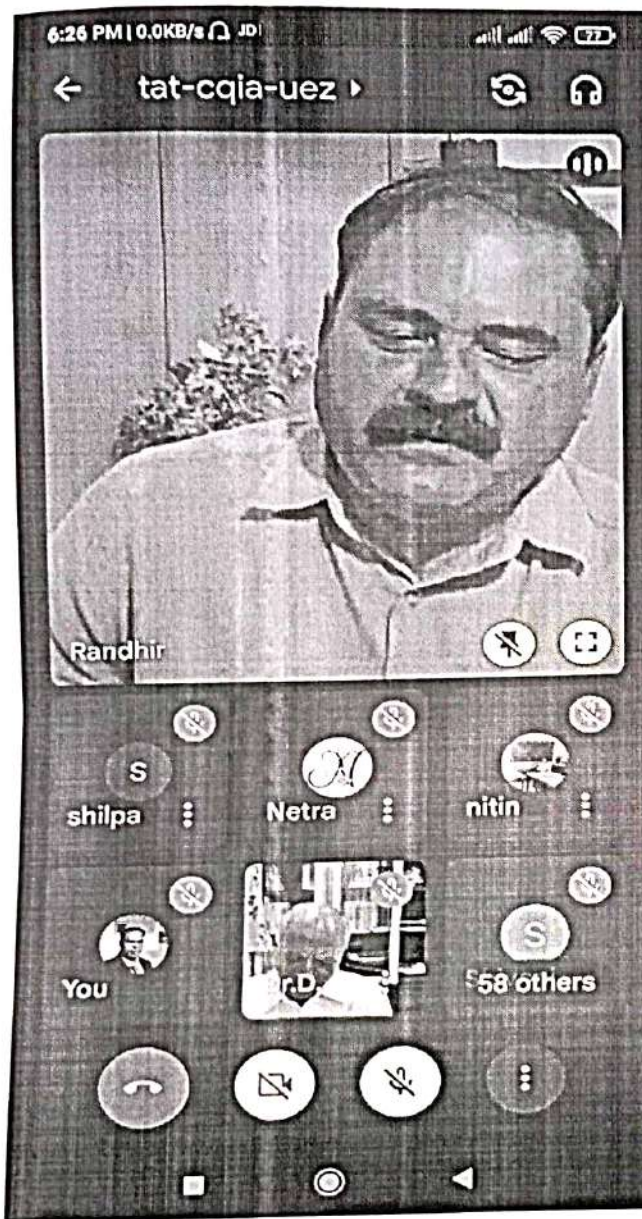

महाविद्यालयातील विद्यार्थ्यांना मराठी भाषा आणि साहित्याची आवड निर्माण व्हावी, त्यांना लेखन, वाचनाची गोडी निर्माण व्हावी या उद्देशाने डॉ. पतंगराव कदम महाविद्यालयात हे विशेष व्याख्यान ऑनलाईन पद्धतीने आयोजित केले होते. या व्याख्यानाचा लाभ महाविद्यालयातील अनेक विद्यार्थ्यांना आणि प्राध्यापकांना झाला. या कार्यक्रमाचे स्वागत व प्रास्ताविक प्रा. डॉ. कृष्णा भवारी यांनी केले, सूत्रसंचालन डॉ. सौ. शिल्पा साळुंखे यानी केले तर आभार प्रा. अक्षय खडतरे यांनी मानले.

प्राचार्य,

भारती विद्यापीठाचे

डॉ. पतंगराव कदम महाविद्यालय, सांगली

प्रा.डॉ. रणधीर शिंदे

प्राचार्य डॉ. डी. जी. कणसे

SANJIVANI AGRO TOURISM
GAT NO 189, MIRAJ - SANGOLA - PANDHARPUR ROAD, NEAR
YALLAMA TEMPLE, BHOSE, MAHARASHTRA 416422

Report on Agri Study Visit (UNDER MOU) (Year: 2021-22)

Date: 31th May, 2022

Class: B.A. III Economics Department,

Venue: Sanjivani Agri Tourism, Bhose.

Objectives: Students will enhance their skills and knowledge on:

- How to do agribusiness.
- What crops can be grown from agriculture.
- How to protect crops from disease.
- Employment generation from Agri-tourism.
- How to make economic progress through agriculture.
- Sale of agricultural commodities through Agri-tourism.

Introduction:

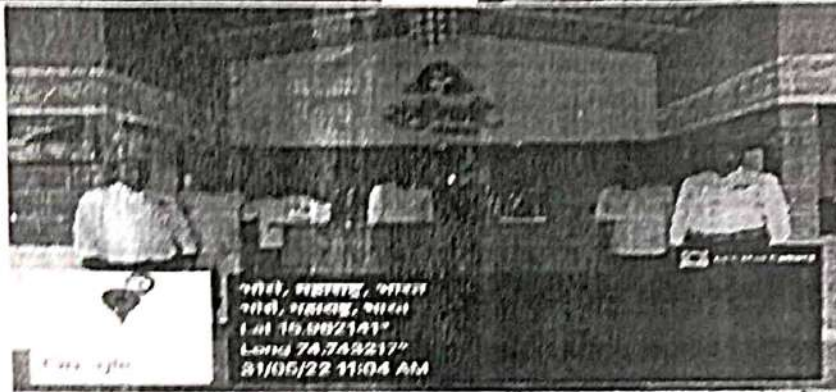

Agri Tourism owner Mr. A. M. Malgave and their staff gave a warm welcome to students. The session was conducted by Mr. A. M. Malgave who gave a brief introduction to Sanjivani Agri Tourism and he explained a visit to Agri Tourism is always informative.

About Sanjivani Agri Tourism:

Learning about local markets and other employment opportunities for farmers through agri-tourism. Farmers can decide the price of their produce on their own. The locals will get employment opportunities only from the things around agriculture, manpower is required for the tourist center. Tourist planning, mentoring, cooking, farming, gardening, laundry, trekking, boating, camping, market shopping, online marketing, advertising and management all require a large number of workers. This provides employment opportunities at the village level to the youth of the village including the farmers.

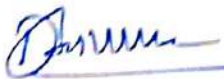

Agri-tourism is a great way to learn about and experience agriculture and agribusiness. How much hard work is required in agriculture? The Agri-tourism center will also make the village famous and raise the standard of living in the rural areas. In rural areas, some rare medicinal plants, fruit and flower farming and market-oriented crops are given guidance in the Agri-tourism center. Also, experience comes from a face-to-face meeting. Students can get information about this through Agri-tourism.

The purpose of this initiative was to create awareness among the students about the importance of agriculture, the availability of employment and its agricultural features, as well as educate the students about their rights and responsibilities as farmers.

Conclusion:

Visit to the Sanjivani Agri Tourism was a great experience for our students to learn many new and different things about the functioning of the Agri tourism. Thanks to Principal Dr. D. G. Kanase, for giving this opportunity.

Industrial Visit Report 2021-22

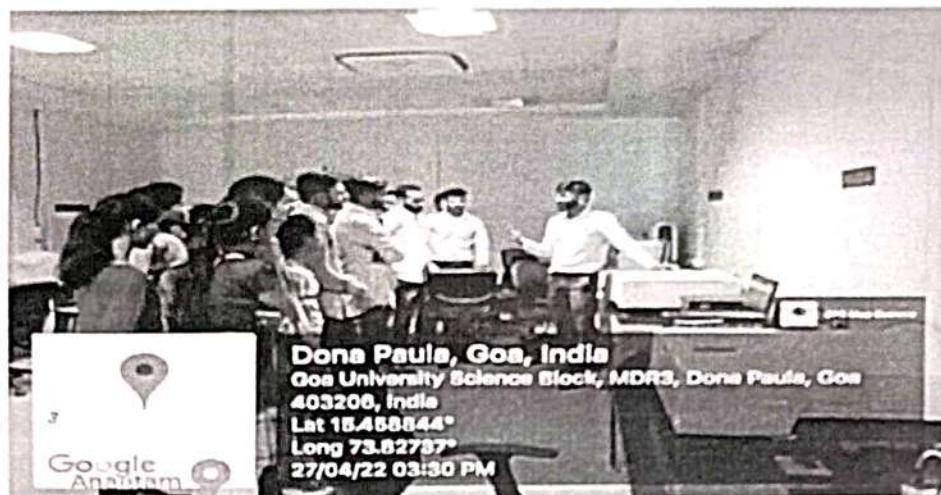

The Industrial Visit is organized by Department of Chemistry, Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, for M.Sc-II (2021-2022) Analytical Chemistry Students at Goa University and PQS Training Laboratory, Goa on 27th, 28th April, 2022.

School of Chemical Sciences, Goa University:

School of chemical Sciences has organic, Inorganic, Physical and Analytical chemistry departments. The department is well equipped with modern instruments like UV-Visible spectrophotometer, IR, NMR, MS spectrophotometer, XRD, Karlfisher apparatus, HPLC, GC, DSC etc.

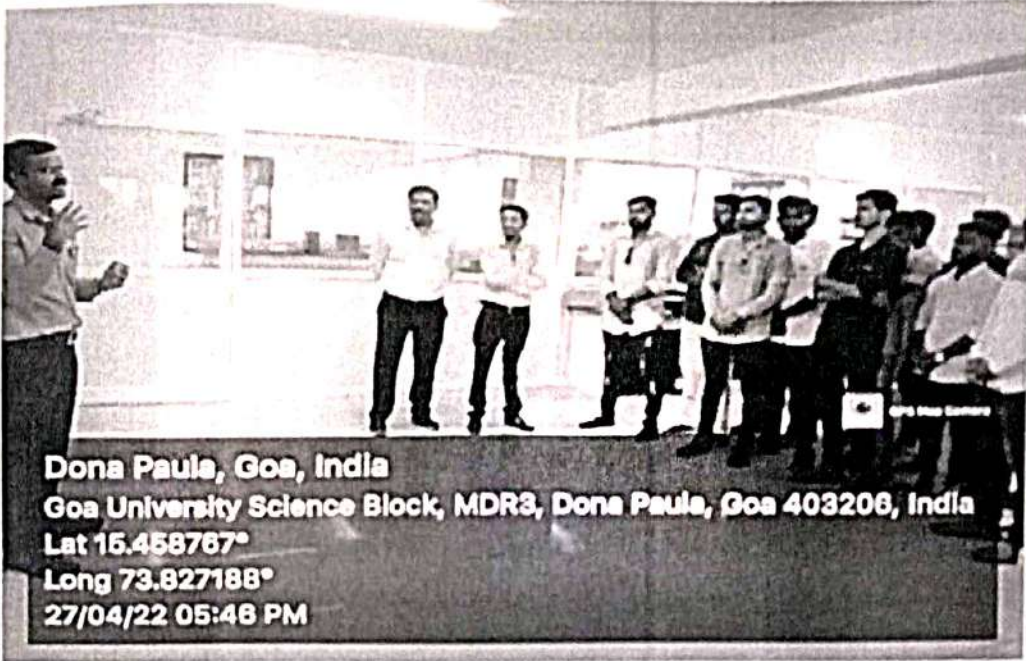

Students are divided in two groups and two teaching faculty members from chemical sciences department, Gao were allotted with each group. The faculty members explained in brief the principle, construction, working and applications of various instruments.

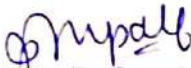

PQS Training Laboratory, Goa:

As per the Memorandum of Understanding between Bharati Vidyapeeth's Dr. Patangarao Kadam Mahavidyalaya, Sangli and PQS training laboratory, Goa. Students visited PQS training laboratory on 27th September 2022 at 4.30 pm. PQS laboratory is equipped with instruments required in quality control department of pharmaceutical company. The Staff members of PQS training laboratory explained the different types of departments in pharmaceutical industry and role of analytical chemistry in pharmaceutical industry. Briefly explained the principle, construction, working of pH meter, potentiometer, UV-Visible spectrophotometer etc. On 28th September 2022 demonstrated the working of HPLC and GC. PQS training laboratory has given training certificate to all students.

Report on One-Day Workshop on Higher Education: As Career

Monday, 21st May, 2022

We, Department of Physics, career counselling cell and Internal Quality Assurance Cell, Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli have organized the One-Day Workshop on Higher Education: As Career on Monday, 21st May, 2022. The workshop was particularly organized for T. Y. B.Sc. students of the college. All the faculty members were presented.

Dr. Prabha M. Patil addressing to the gathering.

We invited team of D.Y. Patil University, Kolhapur for counselling of our last year graduate students. Dr. Vishwajeet Khot, Dr. Ashwini Jadhav, Dr. Shivaji Kashte and Miss. Pooja Patil have come from D. Y. Patil University and addressed to our students. As per the schedule, workshop was started at 02:00 pm with introduction and forwarded of theme of workshop by Dr. Dada P. Nade (coordinator of the workshop) has given idea about the workshop and importance of higher education and he has also introduced all the guests. Dr. Prabha M. Patil (In-charge Science Faculty) was president of this workshop.

Miss. Pooja Patil addressing to the gathering.

The importance of current scenario and demand of the society, we need to provide placement-based education said by Dr. Vishwajeet Khot. In this connection Miss. Pooja Patil has given detail information regarding M.Sc. in Medical Physics. This course is only run by D. Y. Patil University in Kolhapur region.

Medical Biotechnology is one of the great careers for the biology students and it is available at Kolhapur in D. Y. Patil University said by Dr. Ashwini Jadhav.

BHARATI VIDYAPEETH'S

Dr. Patangrao Kadam Mahavidyalaya, Sangli

Department of Geography & Diploma in Travel and Tourism Report

Webinar was held at Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli on 27th September, 2021. 27th September is celebrated as "World Tourism Day" all over the world. The Resource Person for the webinar was Dr. Meena Potdar, Coordinator, Diploma in Travel and Tourism, Shivaji University, Kolhapur. Dr. Potdar in her speech said, Tourism business is a major source of self-employment, Students should think creatively about how we can develop tourism business not only at the global and national level but also at the local level. Students who live in rural areas, who have farm can develop agro-tourism in their own farms. Due to this agriculture can also be developed and another source of income is also available. She was speaking as a keynote speaker in a state level online webinar on "New Opportunities and Challenges in Tourism" at Dr. Patangrao Kadam Mahavidyalaya Sangli. Principal Dr. D. G. Kanase, Member of the Management Council of Shivaji University, Kolhapur was chairperson for the programme.

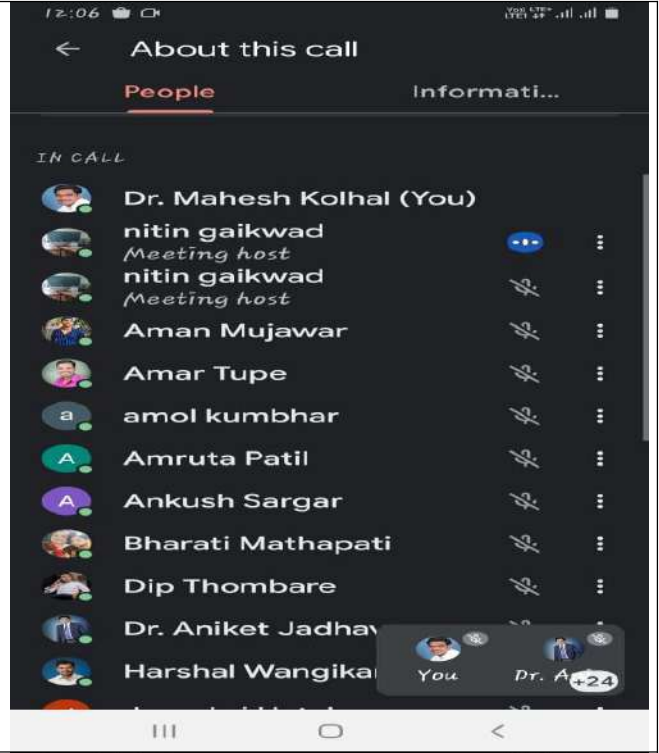

Dr. Meena Potdar further said that tourism brings together people from different regions, which helps to increase national unity and international harmony by exchanging customs, cultural values, language, dress and art. Science faculty in charge Dr. Prabha Patil said that even though the tourism sector has been affected today due to the corona epidemic, as people basically love to travel and want to relax, employment opportunities in this sector will also increase as the lockdown relaxes. So students should take advantage of this opportunity by taking courses in travel and tourism. Principal Dr. D. G. Kanase said that sustainable tourism is the need of the hour. Although tourism gives a big boost to the economy, it is our responsibility to protect the environment. On the occasion of the webinar Prof. T. R. Sawant, Incharge, Arts and Commerce faculty was present. The program was welcomed and introduced by Dr. N. V. Gaikwad, Coordinator, Diploma in Travel and Tourism. Vote of thanks proposed by Dr. Mahesh Kolhal. Program hosted by Mr. Amol Kumbhar. The senior faculty of the college as well as the students were present for this webinar.

**Report on One day Seminar on 'Research Methodology'
18th May, 2022**

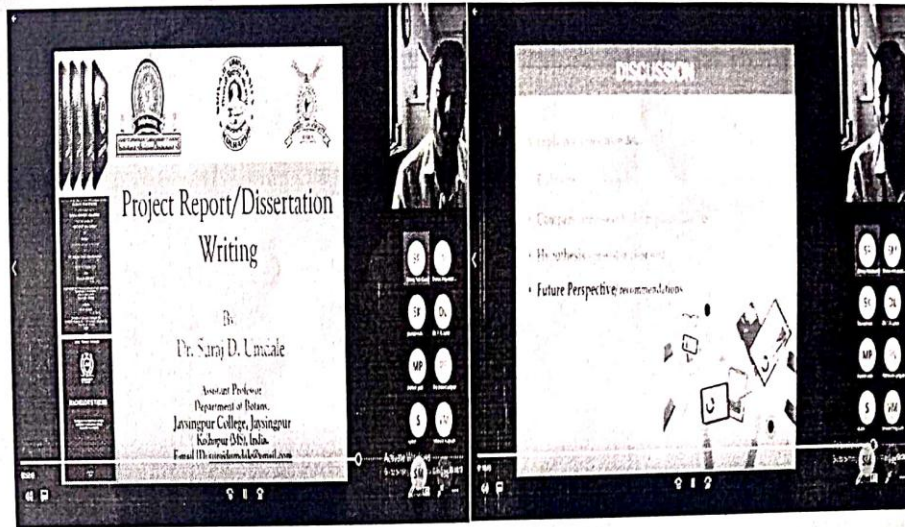

The Seminar was jointly organized by Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli and Jaysingpur College, Jaysingpur for B.Sc. and M.Sc. students on Wednesday, 18th May 2022. The main objective of this Seminar was to create awareness about basic terminologies of Research among the students. The Seminar was attended by faculty members and students from both colleges. The 102 participants were attended seminar through MS Team platform. (<https://bit.ly/rmw2022>)

Speaking on the occasion, Dr. A. R. Supale gave welcomes speech. Dr. R. S. Dhabbe introduced the Guest Speaker, Dr. S. D. Umdale (Asst. Professor in Botany, Jaysingpur College, Jaysingpur). Dr. Umdale, in his speech explained basic terminologies that are used in research. He also highlighted the importance of Research. He explained various methodologies that are used to carry out research. He also focused on referencing work and how to present research work. He briefed about the tools available to carry out the essential things. The session was followed by discussion. The speaker answered all the queries raised by students.

At the end Dr. S. R. Sabale concluded the seminar by delivering vote of thanks.
