AND

**Department of Physics,
School of Science,
Sanjay Ghodawat University, Kolhapur**

For

Scientific Collaboration in the study of Space and Atmospheric Science

Department of Physics, Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, situated at Sangliwadi-416416 (hereinafter referred to as "FIRST PARTY").

AND

This Memorandum of Understanding (MoU) is entered into on 31st March 2022 between Department of Physics, School of Science, Sanjay Ghodawat University, Kolhapur (hereinafter referred to as "SECOND PARTY") state private university, situated at Kolhapur-Sangli Highway, Atigre, Kolhapur, Maharashtra- 416 118.

This MoU is towards recognizing the areas of mutual interest for relevant scientific, technical and social fields of education in science and technology, research, dissemination of knowledge and training to under graduate and post graduate students along with small duration of project work. The Parties are desirous of entering into this MoU for Department- Department interaction to declare their respective intentions and to establish the basis of cooperation and collaboration between the Parties upon the terms as contained herein.

I. PREAMBLE:

Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli has taken a leading role in introducing the certificate course on Space and Atmospheric Science at Undergraduate level. We are also aware that the Sanjay Ghodawat University offers Post graduation Program in Space and Atmospheric Science and also has a well-equipped Center for Space and Atmospheric Science (CSAS) under department of Physics.

There are new challenges and avenues open in this area to do research in this multidisciplinary area of research like Meteorology, Geophysical fluid dynamics, satellite remote sensing and to find new measures to overcome the current environmental problems like depletion of the ozone layer, global warming issues, acid rains, hurricanes, tornadoes in coastal regions. Atmospheric science is the study of the dynamics of the layers of gas that surround the Earth, other planets and moons. This encompasses the interactions between various parts of the atmosphere as well as interactions with the oceans and freshwater systems, the biosphere and

human activities. The current challenging problem of water crisis has also its solution in atmospheric science. A new area of research is involved in harnessing the water vapor present in the air.

It is very important to note that the atmospheric science is intimately connected to space science. This will provide a unique opportunity for our students to record, analyze and interpret the data collected from the space station during different periods and especially after the onset of significant celestial events.

Sanjay Ghodawat University was established as a state private university under Government of Maharashtra, Act No XL, 2017. Situated in Hatkanangale district, Kolhapur, it was formerly known as Sanjay Ghodawat Group of Institutions. The university is accredited with Grade 'A' by the National Assessment and Accreditation Council (NAAC) and the National Board of Accreditation (NBA). The University is approved by the All India Council for Technical Education (AICTE), the Council of Architecture (COA), the Pharmacy Council of India (PCI) and the University Grants Commission (UGC). It is situated in serene atmosphere amidst idyllic hills and lush green meadows to study in harmony with Nature.

The university has developed the Center for Space and Atmospheric Science in Department of Physics (School of Science) in association with the Indian Institute of Tropical Meteorology (IITM), Pune. The study of Lightning activities, thunderstorms, Weather measurements, like rain, temperature, cloud, humidity, wind, ozone, aerosol, water vapor etc. carrying in this center. In addition, measurements of solar activities are taking.

Department of Physics of Dr. Patangrao Kadam Mahavidyalaya and Sanjay Ghodawat University is involved in the regular operation of the Faculty and student exchange program. The college was established on 16th September 1985, as Arts, Science and Commerce College, Sangli, and it was renamed as Bharati Vidyapeeth Dr. Patangrao Kadam Mahavidyalaya, Sangli on 8th January 1999. The college has a spacious and beautiful building, with well-equipped laboratories, classrooms, ICT enabled classrooms, auditorium, two open stages, landscape garden and a playground. The college was granted permanent affiliation in the year 1997, by Shivaji University, Kolhapur. The college is trying to bridge disparity between the rural and urban culture with our parent institution motto, 'Social Transformation through Dynamic Education'.

Recently, UGC, New Delhi has granted two diploma courses under Community College Scheme. The college is also selected by DST, India to develop instrumentation facilities under FIST scheme. We are the proud recipients of the Best NSS unit Award of Government of Maharashtra for our substantial work through National Service Scheme.

II. NOW, THEREFORE, IT IS HEREBY AGREED BY DEPARTMENT OF PHYSICS OF DR. PATANGRAO KADAM MAHVIDYALAYA AND SANJAY GHODAWAT UNIVERSITY, KOLHAPUR TO SIGN THIS MoU.

(i). Period of MoU-

This MoU comes into effect from the date of its signing and will remain in force for three years. Its validity can be extended by mutual agreement of the parties.
