## GENDER SENSITIZATION POLICY

The institution is well prepared to handle and respond to gender-sensitive issues and provide an environment where men and women can work together with a sense of personal security and dignity. Gender sensitization is a basic requirement to understand the sensitive needs of a particular gender. It helps us to examine our personal attitudes and beliefs and questions the 'realities' that we have thought.

### Objectives:

- To make young students gender sensitive and create positive values that support girls and boys and their rights.
- To maintain a favourable and dignified atmosphere for women staff and female students in the college by disallowing any act of harassment or exploitation.
- To organise various seminars/workshops and guest lectures to create consciousness and motivation for gender equality among staff and students.
- To provide overall guidance to the peer group in integrating/mainstreaming gender in all activities of the institution in the form of focused group discussion, debates, poster presentation completion etc.

For this purpose institute has set up a gender sensitization cell. The cell engrosses the awareness about gender issues and works towards creating an enabling environment of gender justice. The Gender Sensitization cell will be responsible for overall activities and conduct.

### **Gender Audit Committee Observations:**

Committee has evaluated the report prepared by the college for the academic year 2022- 2023 for the purpose of Gender Audit. It is observed that the college has maintained gender equality and gender balance in student enrolments. Although, the admissions of girl students are less in numbers, a lot of attention is given to their well being and to enhance their potential through various activities. The college management has provided all necessary requirements and facilitated to make the environment most conducive to grow sense of gender equality. There is adequate number of Ladies toilet blocks, Ladies common room etc.

The college has constituted Internal Complaints Committee to prevent and protect women and girl students against sexual harassment. The provision is also made for Anti Ragging Committee and Grievance Redressal Cell, which are functioning satisfactorily. Ladies Association in the college provides a platform for all ladies to come together and share their feelings and experiences. Counseling Cell works for personal and academic counseling of girls.

**Committee Recommendations:**

**College may:**

1. Start more Career oriented, skill-based courses to attract girl students.
2. Provide additional ladies toilet blocks in the college campus
3. Organize training program for college girl students in Marshal Art t, in addition to Karate.
4. Organize more awareness programs for Women related Laws and make them aware about their Rights.
5. Considering the increasing number of girl students additional women security guards need to be provided.
6. In various tables the ratio of girl students, faculty members are less than male students and faculty members, which can be increased in future.
7. Conduct more frequent Health Check-up camps and conduct counseling of the girl students for Hygiene and Nutrition.
8. Encourage Participation of girls in Sports.
