## **Green Campus Initiatives: 2021 - 22**

### **1) Restricted entry of automobiles:**

The vehicles restricted in main campus, every third Saturday of each month is 'No Vehicle Day' emphasized on board which was placed at outskirts of front lawn.

### **2) Use of Bicycles/ Electric Vehicles:**

The students and faculty members are encouraged to use of bicycles and electric vehicles.

**3) Pedestrian Friendly Pathways** facility is implemented which provide an exclusive space for pedestrians to walk outside of the travel area, which can reduce crash risk by separating vehicles and pedestrians.

### **4) Ban of use of plastics:**

To avoid harmful effects of plastic on health and environment college has takes initiatives to make campus plastic free. Various boards were displayed like "No use of Plastic", Kept separate dust bin to collect plastic waste, this plastic waste dispatched to local municipal corporation.

### **5) Landscaping with trees and plants:**

To enhance natural beauty of campus and foster environmental benefits, a well designed landscaping is created. Landscape planning of college yards is of much importance. A beautifully arranged college yard brings up a feeling of beauty in students, raises their spirit, positively influences health of students, contributes to aesthetic education of students.
