

### **7.3.1 Institutional Distinctiveness**

Rowing is one distinctive sport, taking an important role in the performance of the institution, situated on the banks of Krishna River, flowing strongly throughout the year. Rowing, included in the Olympics games, requires a boat and oars to row in the river. Two types of rowing events canoeing / kayaking and rowing, required different types of boats. Rowing is above nineteen category event, included in Olympics. It develops physique, mental agility, quickness, visual perceptions and decision making skills. Students, attracted towards this sport, because there is reserved post in Government service. Krishna River flowing close to the college is of locational advantage, resulting in good participation of students. Rowing is given a prestigious place, at the Olympics and at inter-University level. Our students have participated in the Inter-University Rowing competitions. In 2011, college purchased one boat and eight oars worth rupees four lakhs, benefitting not only our college students, but also others. Students, participating in different competitions have brought accolades to the college. Since 2012, rowing competitions are organized by the college, for four consecutive years, at inter-zonal level. Three to five students from our college, participating in these competitions have been selected as a part of the University team. From 2012 fifty students have been participated in these competitions, considering that they are from rural areas. More than 50 students have been selected for Inter-University competitions and represented our state, Rowing Federation at national level competitions. Students have achieved success at State and National levels, creating an interesting avenue, to make a career in police, as physical educationists, trainers and rowing coaches. It has become convenient, easier and pleasurable for students to practice, due to the rowing material purchased by the college. Maintaining the tradition of success, junior college students are taking interest and part in these competitions, achieving success. The players practice twice every day, two hours in the morning and evening, achieving success in different competitions, building up their confidence and physique. Rowing requires strong forearms which develop due to regular exercise and good diet. Single skull, double skull, four pairs are types of Rowing events, requiring different skills. Rowing is one distinct valuable sport in college, since 2011-12, which is wonderful and rare extracurricular

activity. This game develops Confidence, Concentration and Strong mind. College strives to make good sports persons. Our College has Collaboration with Royal Krushna Boat Club. Students of our College Practices at this boat club and Participate in various Competitions. Our college has bagged many prizes in Rowing event, at zonal, inter zonal, University, state and national levels. During the year 2019-20, our college students, Patil Anant Dattatraya, Patil Vivek Raghunath, Bhise Ajikya Dilip, Patil Amit Laxman, Yadav Prathmesh Rajiv, Patil Digvijay Dyandev, Jamadar Omkar Anil, were selected in All India University Competition.
