B] OVERALL ANALYSIS

Observations on Key Aspects

1. Institutional Strengths :

- Good infrastructure
- Experienced and dedicated faculty
- Good laboratories and library
- Empowered College Development Committee with powers to take academic decisions
- The Principal is a Member of Senate, Academic Council, Shivaji University, Kolhapur; B.O.S. (Chemistry) at Fergusson College, Pune and President, District Principals' Forum, Sangli
- Strong Research output

2. Weaknesses :

- Limitations in placements and job opportunities
- Limitations in industry based consultancy

3. Challenges :

- Attracting academically good students
- Providing value and skill based education
- Providing conveyance facility to the students coming from distant villages
- Increasing girls' enrolment in higher education
- To develop the employability among the students
- Making the students able to face local and global challenges

4. Opportunities :

- Starting job oriented, interdisciplinary courses to cater to the emerging industries and market
- Starting more collaborative programmes and college-industry linkages with nearby industries
- Making more efforts to attract finances from UGC and other funding agencies
- The college has an opportunity to enhance capabilities of students coming from poor and rural background
- The College can contribute in overcoming of social problems like illiteracy, dropouts and stagnation in adult and higher education
- The proficiency in English can be developed by conducting various programs
- To make careers in sports, cultural fields and leadership, special efforts can be undertaken
- To start PG courses in various subjects
- Increase the number of Add on courses

5. Recommendations :

Vital:

- Though IQAC committee monitors the results, there is need to further improve the system, so that remedial action can be taken to specially give additional coaching to weaker students. In fact teachers should know the academically weak and advance learners in the class right from the beginning of the year.

Essential

- More effective counseling is desirable at the time of admissions for specialized courses in order to check dropouts and failures in final year.
- College has a large enrollment but majority of them have entered with low marks. There is a need to motivate these students.
- There is need to encourage peer learning amongst students.

- Most of the teachers have started using multiple teaching methods for classroom and laboratory teaching. Since these methods are relatively new to most of the teachers, there is a need to learn from each other. As such formation of peer review teams, peer groups are recommended.

Desirable

- Monitoring of First Year internal examination marks is essential to eliminate overmarking tendencies.
- College has introduced some need based skill oriented courses. It is recommended that more skill based courses be started as per need of the Industries and the commercial market.

C] ROLES AND DUTIES

(As per observations and recommendations)

1. State Government

- Revision in fee structure for aided and unaided courses is necessary to provide better training and infrastructural facilities.
- Permission be granted to fill up adequate teaching posts.

2. University

- Timely revision of syllabi for better employability of students.
- Provide more opportunities for staff developments.

3. College

a) Management

- Appoint qualified teachers for self financing course.
- Increase the number of permanent posts.
- Provide more needbased skill oriented courses.

b) Academia

- Teachers should know the latest development in the subjects.
- Appropriate use of internet.

- Membership of professional bodies, up to date knowledge of industries and market's local, national and global requirements will enable them to make their teaching more relevant.

c) Students

- Students were generally satisfied with the classroom and laboratory teaching, Library and computer facilities, English language laboratory.
- More efforts need to be taken for student to secure ranks in university examinations.
- A good number of students are involved in NSS, Sports, and Cultural activities.
- Efforts need to be made for greater and more effective participation in these activities.
- More students should bag prizes in various events to enable college to be amongst top ten colleges in Shivaji University, Kolhapur.

d) Other Stakeholders

- Alumni are taking good interest in college. College should involve alumni in more numbers and make effective use of their expertise.
- Parents are giving regular feedback and suggestions. More group and one to one meetings with parents to keep them apprised about their ward's academic progress will help to improve results of the college.
- Industry is involved in various ways such as placements, research collaborations, providing visiting faculties etc. Further better linkages will be beneficial to both college and industry. Tailor made course for students can be designed to suit industrial needs.
