## **BEST PRACTICE- II**

1. TITLE : “FUN AND LEARN”

2. OBJECTIVE OF THE PRACTICE

1) The main objective of this practice is to provide an opportunity to explore innovation amongst students to identify and sort real life problems.

2) Quiz competition, Poster presentations, Industrial Visits, encourage students to adopt innovative techniques and develop their ideas and skills.

3. THE CONTEXT

Fun and learn is a self-initiated program which consists of four modules like 1) Quiz competition 2) Poster presentation 3) Webinar 4) Industrial Visits. These four modules provide a great platform to display the knowledge and skills you have amassed over the years. Students go through a series of brainstorming sessions, rapid problem solving sequences and experience a totally diverse form of learning, which they usually don't practice in their schools or colleges. It creates interest in student for practical application.

4. THE PRACTICE:

In Fun and learn we have taken different initiative for the development of students like:

1) Quiz Competition - 28/10/2021: District level Quiz competition on HIV, AIDS and Tuberculosis was conducted by Microbiology department in collaboration with District AIDS prevention and Control Unit, Civil hospital, Sangli. All Colleges from Sangli district participated in this competition.

2) Poster Presentation - 12/08/2021: Participated in online poster/memes/GIF competition was organized by District Aids Prevention and Control Unit, Sangli on the occasion of International Youth day.

3) Webinar - 11/04/2022: One day online webinar on “Need of Biodiversity Conservation for the Sustainable Development” was organized by the Department of Zoology and Internal Quality Assurance cell.

4) Industrial Visit - The Industrial Visit is organized by Department of Chemistry, Bharati Vidyapeeth's Dr. Patangrao Kadam Mahavidyalaya, Sangli, for M.Sc-II (2021-2022) Analytical Chemistry Students at Goa University and PQS Training Laboratory, Goa on 27th, 28th April, 2022.

## 5. EVIDENCE OF SUCCESS:

1) Quiz Competition- The second prize was bagged by Dr. Patangrao Kadam Mahavidyalaya, Sangli. They were awarded with a cash prize of Rs.2000/- and a certificate.

2) Poster Presentation –

Sr. No.	Name of the Student	Rank
1	Ayman Riyaz Jamadar	1 <sup>st</sup>
2	Rupali Gundappa Garale	2 <sup>nd</sup>
3	Rutuja Avinash Patil	3 <sup>rd</sup>

## 6. PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:

Due to the busy schedule of industrial expert it is difficult to maintain the scheduled date and time. As the numbers of the posters were more and all posters were at part so it became difficult for the reviewers to select the best poster. Moreover the time constraint is the biggest problem encountered during the conduction and evaluation of the result for the practice.
