By providing adequate and modern educational facilities to the rural youth, the college is trying to bridge the disparity between the rural and urban cultures and to create awareness against discrimination in caste, creed, and gender.

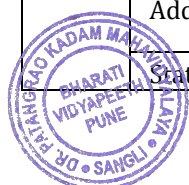

3. Institutional Profile:

Bharati Vidyapeeth is one of the leading educational institutions in India; founded by a great visionary, Hon. Dr. Patangrao Kadam. It was established in 1964 due to his foresightedness and determined efforts. Within a short span of fifty-nine years, under his dynamic and visionary leadership, Bharati Vidyapeeth has taken huge strides in the field of education. Bharati Vidyapeeth has more than one hundred and eighty educational branches, imparting education from the pre-primary to the post-graduate levels. To make education available to the deprived and backward, many schools have been set up in rural and urban areas. On 26th April, 1996, Bharati Vidyapeeth was awarded the status of Deemed University, which was a dream come true! It is one of the very few multi-disciplinary deemed universities in our country.

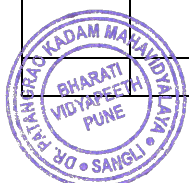

Our college, Dr. Patangrao Kadam Mahavidyalaya, Sangli was established on 16th September, 1985. This is the only college in the city that imparts education in the faculties of Arts, Science, and Commerce. It is a matter of pleasure and pride that the NAAC committee accredited it a 'B++' grade, in January 2004, 'A' Grade in January 2013, and 'B++' Grade in August 2018. The college ranked in Rank band 101-150 in the NIRF 2017 Ranking. Besides, considering our academic, social, and sports achievements, Shivaji University has declared our college as the 'Lead College' in the Sangli district twice during 2010-2013 and 2016-2019. We have also received the Maharashtra State Award for our substantial work through N.S.S. In July 2018, the college received grants of Rs. 80 Lakhs from UGC, New Delhi under the Community College Scheme to run two Diploma Courses. In October 2018, the college received funding of Rs. 50 Lakhs from DST, New Delhi to establish an Instrumentation laboratory under FIST Scheme. The college also gets shortlisted for the DBT-STAR college scheme in 2022.
