- Implement learning activities that integrate diversity topics in the classroom.
- Seek and consider multiple points of view.

VISION, MISSION and GOALS

Vision:

- The motto of our institution is “Social Transformation through Dynamic Education”.
The vision statement of the college is, “To empower the youth to face global challenges”.
- The aims and objectives of the college are to impart Quality Education to the students, to bring about their all round academic excellence, to imbibe in them the sense of social commitment and to build their character.

Mission:

- To provide advanced educational facilities and access to information
- To bring about intellectual awakening.
- To impart value based education.
- To create society based on the principles of equality and social justice.
- To bridge the gap between the rural and urban.
- To empower the women to face the challenges of the new era.
- To create an awareness about the environment.

GOALS

- The Goal like achieving the social, economic and political transformation of the society. It is the responsibility of the college to achieve these goals to improve the academic standard of students, promote computer literacy and create social awareness regarding health, hygiene and environment. By providing adequate and modern educational facilities to the rural youth, the college is trying to bridge the disparity between the rural and urban culture and to create awareness against discrimination in caste, creed and gender.
